1.2 Lease. For and in consideration of the payment of rentals and the performance of all the covenants and conditions of this Lease, County hereby leases to Lessee, and Lessee hereby leases and hires from County, an exclusive right to possess and use, as tenant, the Premises for the Term (as hereinafter defined) and upon the terms and conditions and subject to the requirements set forth herein.

1.2.1 As-Is. Except as provided in Section 1.4, Lessee accepts the Premises in their present condition notwithstanding the fact that there may be certain defects in the Premises, whether or not known to either party to this Lease, at the time of the Effective Date and Lessee hereby represents that it has performed all investigations necessary, including without limitation soils and engineering inspections, in connection with its acceptance of the Premises "AS IS WITH ALL FAULTS". Lessee hereby accepts the Premises on an "AS IS WITH ALL FAULTS" basis and, except as expressly set forth in

this Lease, Lessee is not relying on any representation or warranty of any kind whatsoever, express or implied, from County or any other governmental authority or public agency, or their respective agents or employees, as to any matters concerning the Premises and/or any Improvements located thereon, including without limitation: (i) the quality, nature, adequacy and physical condition and aspects of the Premises and/or any Improvements located thereon, including, but not limited to, the structural elements, foundation, roof, protections against ocean damage, erosion, appurtenances, access, landscaping, parking facilities and the electrical, mechanical, HVAC, plumbing, sewage and utility systems, facilities and appliances, and the square footage of the land and within the Improvements and within each space therein, (ii) the quality, nature, adequacy and physical condition of soils, geology and any groundwater, (iii) the existence, quality, nature, adequacy and physical condition of utilities serving the Premises and/or any Improvements located thereon, (iv) the development potential of the Premises, and the use, habitability, merchantability or fitness, or the suitability, value or adequacy of the Premises and/or any Improvements located thereon for any particular purpose, (v) the zoning or other legal status or entitlement or lack thereof of the Premises or any other public or private restrictions on use of the Premises, (vi) the compliance of the Premises and/or any Improvements located thereon with any applicable codes, laws, rules, regulations, statutes, resolutions, ordinances, covenants, conditions and restrictions of County, City, State, the United States of America, the California Coastal Commission and/or any other governmental or quasi-governmental entity ("Applicable Laws") or of any other person or entity (including, without limitation, relevant provisions of the Americans with Disabilities Act ("ADA")), (vii) the presence of any underground storage tank or hazardous materials on, under or about the Premises or the adjoining or neighboring property, (viii) the quality of any labor and materials used in any Improvements, (ix) subject to Section 1.3 below, the condition of title to the Premises, and (x) the economics of the operation of the Premises and/or any Improvements located thereon.

1.3 Title. County represents that County owns fee title to the Premises and that County has authority to enter into this Lease. Lessee hereby acknowledges the title of County in and to the Premises, and covenants and agrees never to contest or challenge the extent of said title, except as is necessary to ensure that Lessee may occupy the Premises pursuant to the terms and conditions of this Lease.

1.4 Excluded Conditions. Notwithstanding anything to the contrary set forth herein, the terms and provisions of subsection 1.2.1 shall not be applicable to any sewer, storm drain or other improvements which have been dedicated to (and such dedication has been accepted by) the Department of Public Works of the County ("Excluded Conditions"); provided, however, that this Lease (as opposed to any separate dedication acceptance or other contractual or legal obligation) shall not create any obligation or liability on the part of County with respect to such sewer, storm drain and other improvements.

2. TERM.

2.1 Term. The term of this Lease ("Term") shall commence on the Effective Date set forth herein. Unless terminated sooner in accordance with the provisions of this Lease, the Term

shall expire at 11:59 p.m. on February 28, 2061. For purposes of this Lease, "Lease Year" shall mean each calendar year (or partial calendar) during the Term of this Lease. Notwithstanding the foregoing, with respect to any provision in this Lease that refers to a specified number of Lease Years after the Effective Date, the number of Lease Years after the Effective Date shall be calculated based on the following: (a) if the Effective Date is prior to July 1 of a calendar year, then the first Lease Year after the Effective Date shall mean the period from the Effective Date through December 31 of the calendar year during which the Effective Date occurs, and (b) if the Effective Date is on or after July 1 of a calendar year, then the first Lease Year shall mean the period from the Effective Date through December 31 of the calendar year following the calendar year during which the Effective Date occurs.

2.2 Intentionally Omitted Intentionally Omitted Ownership of Improvements During Term. Until the expiration of the Term or sooner termination of this Lease and except as specifically provided herein, Lessee shall own all Improvements now existing and constructed by Lessee or its predecessors or hereafter constructed by Lessee upon the Premises, and all alterations, additions, or betterments made thereto by Lessee.

2.5 Reversion of Improvements. Upon the expiration of the Term or sooner termination of this Lease, whether by cancellation, forfeiture or otherwise:

2.5.1 County's Election to Receive Improvements. At the election of County, all structures, buildings, Improvements and all alterations, additions, and betterments thereto, and all other Improvements made to or upon the Premises shall remain upon and be surrendered with the Premises as part thereof and title thereto shall vest in County without compensation therefor to Lessee. Nothing contained herein shall be construed to deny or abrogate the right of Lessee, prior to the expiration of the Term or termination of this Lease, to receive any and all proceeds which are attributable to the Condemnation of business installations, Improvements, structures and buildings belonging to Lessee immediately prior to the taking of possession by the Condemnor as said rights are set forth in Article 6 of this Lease, or to remove any furniture or equipment not intended to be permanently affixed to, or reasonably necessary for the operation of, the Premises, any signage identifying Lessee (as opposed to other signage used in the operation of the Premises and associated Improvements), or any personal property, upon the expiration of the Term or earlier termination of this Lease or at any time during the Term, subject to Lessee's obligations under this Lease to use the Premises for the Permitted Uses.

2.5.2 Duty to Remove. No earlier than eight (8) years, and no later than seven (7) years prior to the expiration of the Term, Lessee shall deliver to County a report prepared by a construction and demolition expert approved by County, such approval not to be unreasonably withheld or delayed, which report details and estimates the cost of removing all Improvements on the Premises at the expiration of the Term. County may give written notice (the "County Removal Notice") at any time, no later than six (6) years prior to the expiration of the Term or concurrently upon any earlier termination, of County's election to require Lessee to remove, at the sole cost and expense of Lessee, not later than the expiration of the Term or earlier termination of this Lease, all or any

portion of the at grade, above grade and below grade Improvements of any kind whatsoever placed or maintained on the Premises, whether placed thereon or maintained by Lessee or others, including, but not limited to, concrete foundations, pilings, structures and buildings; and if such structures are required to be removed by Lessee, then Lessee shall, upon the expiration or termination of this Lease, immediately restore, and quit, and peacefully surrender possession of, the Premises to County in good, usable and buildable condition, consisting of a level, graded buildable pad with no excavations, hollows, hills or humps. Lessee shall have the right, by written notice to County not later than thirty (30) days prior to the expiration of the Term, to extend the date by which Lessee must complete the Improvement removal and Premises surrender obligations under this subsection 2.5.2 and/or the Lessee's removal obligations under subsection 2.5.4 below to a date not more than one hundred twenty (120) days after the expiration of the Term; provided, however, that all of the Lessee's obligations and liabilities under the Lease (other than the obligation to affirmatively operate the Premises) shall be applicable during such additional period, including without limitation, the Lessee's obligations with respect to insurance and indemnification, and Lessee's obligation to pay County compensation for such period in an amount equal to the Monthly Minimum Rent rate in effect immediately prior to the expiration of the Term.

If County elects to require Lessee to remove Improvements hereunder pursuant to the County Removal Notice, Lessee shall, no later than the date which is thirty (30) days after Lessee's receipt of the County Removal Notice, provide County with a written plan which sets forth Lessee's proposed method of securing the discharge of Lessee's removal and restoration obligations pursuant to this subsection. Such security plan shall detail (i) the form of security proposed by Lessee, which security shall be either a deposit of funds, or a letter of credit, bond or other form of security in form and amount, and from an issuer, satisfactory to County, and (ii) a schedule satisfactory to County for the delivery by Lessee of the security described in clause (i) above, which schedule shall in all events provide for a full funding of the security not later than two (2) years prior to the expiration of the Term. The amount of the deposit or letter of credit, bond or other security shall be no less than the estimated costs to remove the Improvements set forth in the report described above, adjusted annually to reflect the increase or decrease, if any, in the ENR Index over the ENR Index as of the date of cost estimation set forth in such expert report; provided, however, that in no event shall such adjustment result in a deposit or letter of credit, bond or other security of an amount less than that set forth in the expert report. Any uncured failure by Lessee to deliver the removal and restoration security described in this subsection 2.5.2 shall constitute an Event of Default. If County fails to elect to require Lessee to remove the buildings, structures and Improvements on the Premises as provided above, then upon the expiration of the Term, or earlier termination of the Lease, Lessee shall turn over the Premises to County in good and workmanlike condition, consistent with the condition of other buildings, structures and Improvements of comparable age and construction quality.

2.5.3 County's Right to Remove Improvements. Should Lessee fail to so remove said structures, buildings and Improvements and restore the Premises, County may sell, remove or demolish the same, in event of which sale, removal or demolition Lessee shall reimburse County for any cost or expense thereof in excess of any funds

received by County through the security above provided and any consideration received by County as a result of such sale, removal or demolition.

2.5.4 Duty to Remove Equipment, Etc. No later than the expiration of the Term or sooner termination of this Lease (or within the additional one hundred twenty (120) day period described in subsection 2.5.2 above), Lessee shall in any event remove at its cost and expense such furniture, equipment and personal property as are not firmly affixed to said structures, buildings and Improvements or reasonably necessary for the orderly operation of the Premises. Should Lessee fail to so remove said furniture, equipment and personal property within said period, and said failure continues for thirty (30) days after written notice from County to Lessee, Lessee shall lose all right, title and interest in and thereto, and County may elect to keep the same upon the Premises or to sell, remove, or demolish the same, in event of which sale, removal, or demolition Lessee shall reimburse County for its Actual Costs incurred in connection with such sale, removal or demolition in excess of any consideration received by County as a result of said sale, removal or demolition.

2.5.5 Title to Certain Improvements Passes to County; Lessee to Maintain. As between County and Lessee, title to all utility lines, transformer vaults and all other utility facilities constructed or installed by Lessee upon the Premises shall vest in County upon construction or installation to the extent that they are not owned by a utility company or other third party provider. Notwithstanding that title shall vest in County, all utility lines, transformer vaults and all other utility facilities (other than any sewer, storm drain or other utility systems which have been dedicated to and accepted by County pursuant to a dedication separate from this Lease), shall be maintained, repaired, and replaced, if and as needed, by Lessee during the Term.

3. USE OF PREMISES.

3.1 Specific Primary Use. The Premises shall be used by Lessee for the operation and management of (i) a luxury residential apartment project and (ii) such other related and incidental uses as are specifically approved by County (collectively, the foregoing shall be referred to herein as the "Permitted Uses"). Except as specifically provided herein, the Premises shall be used for no other purpose without the prior written consent of County. County makes no representation or warranty regarding the continued legality of the Permitted Uses or any of them, and Lessee bears all risk of an adverse change in Applicable Laws.

3.2 Prohibited Uses. Notwithstanding the foregoing:

3.2.1 Nuisance. Lessee shall not conduct or permit to be conducted any private or public nuisance on or about the Premises, nor commit any waste thereon. No rubbish, trash, waste, residue, brush, weeds or undergrowth or debris of any kind or character shall ever be placed or permitted to accumulate upon any portion of the Premises, except in appropriate receptacles intended for such purposes, nor shall any portion of the Premises be maintained so as to render said Premises a fire hazard or unsanitary, unsightly, offensive, or an imminent risk to public health and safety, nor shall any similar activity be permitted on any adjacent public street or adjacent property.

Lessee shall be permitted to perform the Development Work on the Premises, provided that such work is conducted in compliance with Article 5 of this Lease.

3.2.2 Restrictions and Prohibited Uses. Without expanding upon or enlarging the Permitted Uses of the Premises as set forth in this Lease, the following uses of the Premises are expressly prohibited:

3.2.2.1 The Premises shall not be used or developed in any way which is in violation of any Applicable Laws;

3.2.2.2 The Premises shall not be used or developed in any way in a manner inconsistent with the Permitted Uses. Without limiting the foregoing, no part of the Premises shall be used by any person for any adult entertainment purposes, as such term refers to graphic, explicit and/or obscene depictions of sexual activity; provided, however, that this subsection 3.2.2.2 shall not be interpreted to regulate in violation of Applicable Law the private activity of an individual that is confined to such individual's private residence;

3.2.2.3 No improvement on the Premises shall be permitted to fall into disrepair and all Improvements shall at all times be kept in good condition and repair consistent with the requirements of Section 10.1 of this Lease;

3.2.2.4 No condition shall be permitted to exist upon the Premises which shall induce, breed or harbor infectious plant diseases, rodents, or noxious insects and Lessee shall take such measures as are appropriate to prevent any conditions from existing on the Premises which create a danger to the health or safety of any persons residing or working at, or persons patronizing, the Premises;

3.2.2.5 Without the prior written reasonable approval of Director, no antennae or other device for the transmission or reception of television signals or any other form of electromagnetic radiation shall be erected, used or maintained by Lessee outdoors above ground on any portion of the Premises, whether attached to an improvement or otherwise; provided that the foregoing requirement to obtain Director's approval as to any antennae or other transmission or reception devices shall be inapplicable to the extent that such requirement violates Applicable Law;

3.2.2.6 No tools, equipment, or other structure designed for use in boring for water, oil, gas or other subterranean minerals or other substances, or designed for use in any mining operation or exploration, shall hereafter be erected or placed upon or adjacent to the Premises, except (i) as is necessary to allow Lessee to perform its maintenance and repair obligations pursuant to this Lease, and (ii) for such boring or drilling as necessary to perform water testing or monitoring, or any dewatering program to relieve soil water pressure; and

3.2.2.7 Except for the Excluded Conditions and the Seawall, no adverse environmental condition in violation of Applicable Laws shall be permitted to exist on any portion of the Premises, nor shall any toxic or hazardous

wastes be permitted to be generated, treated, stored, disposed of, or otherwise deposited in or on or allowed to emanate from the Premises or any portion thereof, including, without limitation, into the surface waters and subsurface waters thereof; provided, however, that toxic or hazardous substances may be stored or used, so long as such storage and use is (a) ancillary to the ordinary course of business of an otherwise Permitted Use with the intent that such substances will be used in the ordinary course of business, and (b) conducted in compliance with all Applicable Laws.

3.3 Active Public Use. The parties acknowledge that the ultimate objective of this Lease is the complete and continuous use of the facilities and amenities located in Marina del Rey by and for the benefit of the public, without discrimination as to race, gender or religion, along with the generation and realization of revenue therefrom. Accordingly, Lessee agrees and covenants that it will operate the Premises fully and continuously (except to the extent that Lessee is prevented from doing so due to Force Majeure or due to temporary interruption for maintenance and repair) in light of these objectives, consistent with the operation of luxury residential apartment facilities, and that it will use commercially reasonable efforts so that County may obtain maximum revenue therefrom as contemplated by this Lease. In the event of any dispute or controversy relating hereto, this Lease shall be construed with due regard to the aforementioned objectives.

3.4 Days of Operation. The Promenade (as defined in Section 15.19) shall be open every day of the year. Any changes in the days and/or hours of operation of the Promenade shall be subject to the written approval of County.

3.5 Signs and Awnings. Any and all art, displays, identifications, monuments, awnings, advertising signs and banners which are placed on, or are visible from, the exterior of the Premises shall be only of such size, design, wording of signs and color as shall have been specifically submitted to and approved by Director (and to the extent required under then Applicable Law, the Design Control Board), whether pursuant to Article 5 of this Lease or otherwise, in writing, prior to the erection or installation of said art, sign, display, identification, monument, awning or advertising sign. Director shall not unreasonably withhold its approval of the matters described in this Section 3.5. Any dispute as to whether Director has unreasonably withheld its approval of a matter described in this Section 3.5 shall be submitted to arbitration pursuant to Article 16 of this Lease.

3.6 Compliance with Regulations. Lessee shall comply with all Applicable Laws and shall pay for and maintain any and all licenses and permits related to or affecting the use, operation, maintenance, repair or improvement of the Premises. Without limitation of the foregoing, Lessee shall comply with (i) all conditions and requirements of Coastal Development Permit No(s). _____ **[PRIOR TO LEASE EXECUTION INSERT COASTAL DEVELOPMENT PERMIT NO(S). ISSUED FOR DEVELOPMENT WORK]**, which conditions and requirements are attached to this Lease as Exhibit E and incorporated herein by this reference, and (ii) all public access requirements of the Marina del Rey Local Coastal Program, as amended. **[PRIOR TO LEASE EXECUTION INSERT REFERENCE TO THE AFFORDABLE HOUSING REQUIREMENTS APPLICABLE TO THE PREMISES IN**

ACCORDANCE WITH SECTION 8 OF THE OPTION AGREEMENT AND FINAL ENTITLEMENTS.]

3.7 Rules and Regulations. Lessee agrees to comply with such other reasonable rules and regulations governing the use and occupancy of the Premises as may be promulgated by County from time to time for general applicability on a non-discriminatory basis to other residential apartment facilities in Marina del Rey, and delivered in writing to Lessee. Any dispute as to whether County has acted unreasonably in connection with the matters described in this Section 3.7 shall be submitted to arbitration pursuant to Article 16 of this Lease.

3.8 Reservations. Lessee expressly agrees that this Lease and all rights hereunder shall be subject to all encumbrances, reservations, licenses, easements and rights of way (a) existing as of the Effective Date, or (b) otherwise referenced in this Lease in, to, over or affecting the Premises for any purpose whatsoever, or (c) consented to by Lessee.

Without limiting the foregoing, Lessee expressly agrees that this Lease and all rights hereunder shall be subject to all prior matters of record and the right of County or City existing as of the Effective Date or otherwise disclosed to or known to Lessee, as their interests may appear, to install, construct, maintain, service and operate sanitary sewers, public roads and sidewalks, fire access roads, storm drains, drainage facilities, electric power lines, telephone lines and access and utility easements across, upon or under the Premises, together with the right of County or the City to convey such easements and transfer such rights to others. Notwithstanding the foregoing or anything herein to the contrary, County agrees to cooperate with Lessee, at Lessee's cost, in Lessee's efforts to address title matters, if any, which would prevent Lessee from proceeding with the redevelopment of the Premises in accordance with the Development Work, as long as such efforts do not materially adversely affect the County (e.g., cooperating with Lessee in the relocation at Lessee's cost of any easements which interfere with the Development Work, to the extent such relocation is reasonably acceptable to County).

4. PAYMENTS TO COUNTY.

4.1 Net Lease. The parties acknowledge that the rent to be paid by Lessee under this Lease is intended to be absolutely net to County. The rent and other sums to be paid to County hereunder are not subject to any demand, set-off or other withholding. Except as specifically set forth herein, Lessee shall be solely responsible for all capital costs (including, without limitation, all structural and roof repairs or replacements) and operating expenses attributable to the operation and maintenance of the Premises, including without limitation the parking areas included within the Premises.

4.1.1 Utilities. In addition to the rental charges as herein provided, Lessee shall pay, or cause to be paid, all utility and service charges for furnishing water, power, sewage disposal, light, telephone service, garbage and trash collection and all other utilities and services, to said Premises.

4.1.2 Taxes and Assessments. Lessee agrees to pay before delinquency all lawful taxes, assessments, fees, or charges which at any time may be levied by the State, County, City or any tax or assessment levying body upon any interest in this Lease or any

possessory right which Lessee may have in or to the Premises covered hereby or to the Improvements thereon for any reason, as well as all taxes, assessments, fees, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by it in, on or about the Premises. Lessee's obligation to pay taxes and assessments hereunder shall include but is not limited to the obligation to pay any taxes and/or assessments, or increases in taxes and/or assessments arising as a result of the grant to Lessee of the Option or Lessee's exercise thereof. Lessee shall have the right to contest the amount of any assessment imposed against the Premises or the possessory interest therein; provided, however, the entire expense of any such contest (including interest and penalties which may accrue in respect of such taxes) shall be the responsibility of Lessee.

The parties acknowledge that the Premises are and shall continue to be subject to possessory interest taxes, and that such taxes shall be paid by Lessee. This statement is intended to comply with Section 107.6 of the Revenue and Taxation Code. Lessee shall include a statement in all Subleases to the effect that the interests created therein are derived from the Lessee's interest under this Lease and that Lessee's interest requires the payment of a possessory interest tax.

4.2 Rental Payments. Throughout the Term, for the possession and use of the Premises granted herein, Lessee shall pay County (a) the Annual Minimum Rent described in subsection 4.2.1 below, and (b) the Percentage Rent described in subsection 4.2.2 below. For purposes of this Lease "Annual Rent" shall mean the aggregate of the Annual Minimum Rent and Percentage Rent

4.2.1 Annual Minimum Rent and Monthly Minimum Rent. Lessee shall pay to County the minimum rent described in this subsection 4.2.1 (subject to adjustment pursuant to Sections 4.2.3 and 4.3 below) during each Lease Year of the Term (the "Annual Minimum Rent"). Annual Minimum Rent shall be payable by Lessee to County on a monthly basis in equal installments of one-twelfth (1/12th) of the Annual Minimum Rent (the "Monthly Minimum Rent"); provided, however, if any Lease Year is shorter or longer than a calendar year, then the Annual Minimum Rent shall be calculated on a pro rata basis based on the number of days in the applicable period as compared to 365, and Monthly Minimum Rent shall be payable in equal monthly installments of such pro rata Annual Minimum Rent. During each Lease Year (or portion thereof) during the period from the Effective Date through the day preceding the fifth (5th) anniversary of the Effective Date (the "First Adjustment Date"), the Annual Minimum Rent shall be equal to the annual square foot rental allocable to the land that was payable by Lessee under that certain Lease for the property commonly known as Parcel 10R (the "Parcel 10R Premises") by and between County and Lessee's predecessor in interest dated as of May 4, 1962 (as amended prior to the execution of the Parcel 10R Restated Lease described below) (the "Pre-Existing Parcel 10R Lease") for the last full year prior to the Effective Date of that certain Amended and Restated Lease Agreement – Parcel 10R – Marina del Rey by and between County and Lessee, dated _____, 200_ (the "Parcel 10R Restated Lease") divided by 400 and multiplied by 126 (or if the Parcel 10R Option has not been exercised as of the Effective Date of this Lease, the annual square foot rental allocable to the land under the Pre-Existing Parcel 10R Lease for the last full year prior to the Effective Date of this Lease shall be utilized).

4.2.2 Percentage Rent. For the purposes of this Lease, "Percentage Rent" for any given month or year shall be defined as the sum of the amounts set forth in this Section 4.2.2, less the Annual Minimum Rent for such month or year. Gross Receipts (as defined herein) from each transaction, sale or activity of Lessee and/or any sublessee shall be reported under one or more of the following percentage categories, as applicable. It is understood that Article 3 of this Lease provides for the Permitted Uses of the Premises and that the percentage categories listed below are not all applicable to this Lease and are in no way intended to expand or modify the Permitted Uses. Director, by Policy Statement and with the approval of Lessee, Auditor-Controller and County Counsel, has interpreted and may further interpret the percentage categories as set forth in this subsection 4.2.2, with such determinations and interpretations to be a guideline in determining the appropriate categories. Within fifteen (15) days after the close of each and every calendar month of the term hereof, Lessee shall file a report of Gross Receipts and pay to County a sum equal to the total of the following percentages for said previous month, less the amount of the installment of Monthly Minimum Rent paid for said previous month as provided herein:

(a) TWENTY FIVE PERCENT (25%) of Gross Receipts or other fees for the rental or use of boat slips, anchorages, moorings, dockside storage space, and such other facilities and services ancillary thereto as are generally provided in common to tenants thereof, including receipts obtained from persons who live on their boats;

(b) TWENTY PERCENT (20%) of Gross Receipts from the rental or other fees charged for the use of dry storage facilities, landside storage space, boats, motors, tackle, recreational equipment, tools, equipment, launch and retrieving of small boats and from the sale of live bait;

(c) TEN AND ONE-HALF PERCENT (10.5%) of Gross Receipts or other fees charged for (1) the occupancy of apartments, (2) the rental or use of meeting rooms, or (3) the rental or use of land or facilities for activities not otherwise provided for in this section, such as but not limited to television, motion pictures or other media filming purposes;

(c1) TEN PERCENT (10%) of Gross Receipts or other fees charged for the occupancy of (1) offices utilized for banking, financial or investment activities, internal clerical or administrative activities (other than Lessee's management office), business enterprises, real estate and insurance brokerage, legal, medical, engineering, travel agencies, yacht club purposes, or similar uses; or (2) restaurants, stores, shops, or other commercial establishments; provided that, except as provided in subsection 4.2.2.5, Gross Receipts or other fees charged for the occupancy of restaurants, stores, shops or other commercial establishments shall not be included in the calculation of Percentage Rent under this subsection (c1) if the Gross Receipts from the operation of such businesses are required to be reported under other subsections of this Section;

(d) Intentionally omitted;

(e) FIVE PERCENT (5%) of commissions or other fees earned from boat brokerage, car rental agencies, marine insurance commissions where the sale of insurance is conducted in conjunction with boat sales and/or boat brokerage, laundry and dry cleaning commissions and other similar activities where earnings are normally on a commission basis when said activity is approved in advance by Director;

(h) With respect to the installation and/or operation of coin-operated vending or service machines, including pay telephones, FIVE PERCENT (5%) of the Gross Receipts received by Lessee or sublessee from such enterprise if Lessee or a sublessee is the operator of such enterprise, or TWENTY PERCENT (20%) of any commissions or fees collected by Lessee or a sublessee from such enterprise if a third (3rd) party provider is the operator of such enterprise;

(i) TEN PERCENT (10%) of Gross Receipts from the operation of a bar, tavern, cocktail lounge, discotheque, night club or other facilities engaged primarily in the on-premises sale of alcoholic beverages except as provided for in subsection (j);

(j) THREE AND ONE-HALF PERCENT (3½%) of Gross Receipts from the operation of restaurants, restaurant/cocktail lounge combination, coffee shops, beach and theater food facilities, except that Gross Receipts from facilities established and operated as a take-out food operation shall be reported under subsection (s); a "take-out food operation" shall mean a restaurant or other food operation a majority of the Gross Receipts from which are derived from the sale of food or beverages to be consumed off-site;

(k) Intentionally omitted;

(l) Intentionally omitted;

(m) FIFTEEN PERCENT (15%) of Gross Receipts from club dues, initiation fees, and assessments, except that separate assessments for capital improvements may be exempted; provided that to qualify for such an exemption Lessee must comply with the "Criteria for Eligibility for Exemption of Special Assessments from Gross Receipts" issued by the Director;

(n) Intentionally omitted;

(o) Intentionally omitted;

(p) Intentionally omitted;

(q) FIVE PERCENT (5%) of Gross Receipts of cover charges or other fees charged for admission to facilities featuring entertainment, excluding movie theaters, whose Gross Receipts shall be reportable under subsection (s);

(r) TWENTY PERCENT (20%) of Gross Receipts from parking fees, except that (1) parking fees or charges, if any, which are collected in conjunction with an activity the Gross Receipts from which are required to be reported in a percentage category higher than twenty percent (20%) shall be included in Percentage Rent at such higher percentage; and (2) valet parking charges, fees and tips shall not be included in Percentage Rent under this subsection, but instead shall be included in Percentage Rent under subsection (f) above;

(s) FIVE PERCENT (5%) of Gross Receipts from the sale of miscellaneous goods and services consistent with the Permitted Uses but not specifically provided for elsewhere in this subsection;

(s1) FIVE PERCENT (5%) of the Gross Receipts from the operation of all stores, shops or boutiques selling items at retail; and,

If with the prior approval of County or Director Lessee hereafter engages in a use that is not currently permitted under this Lease and as to which there is no specific percentage set forth above applicable to such additional or related use, then concurrent with the approval by County or Director of such specific additional use, Director and Lessee shall negotiate in good faith with Lessee to establish the specific percentage to be applied to such use. Such percentage shall be the greater of (1) the average percentage received by County with respect to that category of activities within Marina del Rey, California at the time of approval of the additional or related use, and (2) the most recent agreement between County and a Marina del Rey lessee, whether by arbitration or otherwise, with respect to the appropriate percentage to be applied to that use. The percentage rent for the additional or related use as determined pursuant to this paragraph shall remain in effect until the next Renegotiation Date.

4.2.2.1 Other Activities. If Director or Lessee reasonably determine that a percentage of Gross Receipts is not suitable or applicable for a particular activity not described above, although permitted hereunder, Director and Lessee shall mutually establish a minimum monthly payment to County as payment for the privilege of engaging therein, which shall remain effective until the next Renegotiation Date. Said minimum monthly amount shall be reasonable in accordance with the revenue generated by such activity and shall be included in Percentage Rent, as determined hereunder, in lieu of a percentage of Gross Receipts therefor.

4.2.2.2 Accounting Records and Procedures. Lessee agrees to and shall comply with, and shall cause all of its sublessees, licensees, permittees and concessionaires to agree to and comply with, the recordkeeping and accounting procedures, as well as the inspection and audit rights granted to County, set forth in Article 14 of this Lease.

4.2.2.3 Gross Receipts. Except as herein otherwise provided, the term "Gross Receipts" as used in this Lease means all money, cash receipts, or other things of value, including but not limited to gross charges, sales, rentals, common area maintenance payments, operating expense reimbursements, fees and commissions made or earned by Lessee and/or all its assignees, Sublessees, licensees, permittees or concessionaires, from any business, use, occupation or any combination thereof, originating, transacted, or performed in whole or in part, on the Premises, including but not limited to rentals, the rendering or supplying of services and the sale of goods, wares or merchandise, calculated in accordance with the accounting method described in the last sentence of Section 14.1.

(1) Except as otherwise set forth herein, there shall be no deduction from Gross Receipts for any overhead or cost or expense of operation, such as, without limitation, salaries, wages, costs of goods, interest, debt amortization, rent credit (but the value of any free rent period shall not be imputed as Gross Receipts), collection costs, discounts from credit card operations, insurance and taxes.

(2) Gross Receipts shall not include direct taxes imposed upon the consumer and collected therefrom by Lessee such as, without limitation, retail sales taxes, excise taxes, or related direct taxes paid periodically by Lessee to a governmental agency accompanied by a tax return statement.

(3) Gross Receipts reported by Lessee and its Sublessees, assignees, licensees, Lessees and permittees must include the usual charges for any services, goods, rentals or facilities provided by Lessee or its Sublessees, assignees, licensees, concessionaires or permittees. Bona fide bad debts actually accrued by Lessee for amounts owed by subtenants, assignees, licensees concessionaires or permittees may be deducted from Gross Receipts to the extent that such amounts have been previously reported as Gross Receipts; however, there shall be no deduction for bad debts based on past experience or transfer to a bad debt reserve. Subsequent collection of bad debts previously not reported as Gross Receipts shall be included in Gross Receipts at the time they are collected.

(4) Gross Receipts shall not include any of the following items:

a. goods returned to suppliers or which are delivered for resale (as opposed to delivery) to another retail location or to a warehouse or to any retailers without profit to Lessee, where such returns or

deliveries are made solely for the convenient operation of the business of Lessee or sublessee and not for the purpose of consummating a sale made in, about or from the Premises;

b. an amount equal to the cash refunded or credit allowed on merchandise returned by customers and accepted by Lessee, or the amount of cash refunded or credit allowed thereon in lieu of Lessee's acceptance thereof, but only to the extent that the sales relating to such merchandise were made in, about or from the Premises; provided that whenever Lessee accepts a credit slip as payment for goods or services, the amount of credit shall be included in Gross Receipts;

c. sales of fixtures, equipment or property which are not Lessee's stock in trade;

d. receipts from insurance claims other than rental interruption or business interruption insurance related to the replacement of Gross Receipts;

e. interest earned by Lessee on funds arising from the Premises or the use thereof, deposited or maintained by Lessee in banks or similar financial institutions;

f. the Cost of Lessee's subtenants' submetered electricity, provided (1) each subtenant's obligation to reimburse Lessee for such subtenant's electrical charges is separate and apart from such tenant's obligation to pay rent for its occupancy of the Premises; (2) the reimbursed sum is in an amount equal to the Cost of the subtenant's electricity; and, (3) the receipt is actually credited against the cost of the subtenant's electricity. For the purpose of the foregoing sentence, the "Cost" of the subtenant's electricity shall mean the actual costs incurred by Lessee, exclusive of overhead and general and administrative expenses, in paying the portion of the respective utility's electric bill that is allocable to the subtenant based on such subtenant's submetered consumption of electricity, and in paying the portion of any third party submeter reading and service charge to each submeter that is actually read and a direct allocation of the submeter service charge to each such submeter that is serviced. County shall have the right to approve all submeters and to challenge the legitimacy or amount of any Cost, and all disputes regarding such County approvals or challenges, if not resolved by the parties within thirty (30) days after notice to Lessee of such disapproval or challenge, shall be resolved by arbitration pursuant to Article 16 of this Lease. The terms and provisions of this paragraph f shall also be applicable to other submetered utility charges to the extent that it is customary for subtenants to be responsible for such other utility charges.

g. amounts received for services rendered by a Sublessee of an individual apartment unit in connection with the operation by such Sublessee of an in-home business in such apartment unit, as long as the

primary purpose of Sublessee's use of the apartment unit is for residential occupancy and such in-home business is an incident to such residential use.

4.2.2.4 Excess Payments Credit. If rent payments actually made by Lessee in a particular Lease Year exceed the total rentals actually due for that year as computed on an annual basis at the end of each Lease Year, Lessee shall be permitted to credit that excess amount ("Excess Percentage Rent Payment") against the succeeding monthly installments of Percentage Rent otherwise due under this subsection 4.2.2 until such time as the entire Excess Percentage Rent Payment has been recouped. If Lessee makes an Excess Percentage Rent Payment in the final Lease Year of the Term, County shall refund such amount to Lessee within thirty (30) days of its discovery and verification of such overpayment.

4.2.2.5 Effect of Sublessee, etc. Doing Business. Except as specifically provided to the contrary in this Lease, where a sublessee, licensee, or permittee is conducting a business or engaged in any use or occupation or any combination thereof on Lessee's leasehold except for those uses or occupations delineated under Item (1) of subsection (c1) of subsection 4.2.2, Lessee shall report whichever of the following results in the greater percentage rental: (1) the Gross Receipts of each sublessee under one or more of the appropriate subsections of this Section; or (2) Lessee's receipts from each sublessee under subsection (c) or (c1) of this Section.

4.2.2.6 Interest; Etc. Interest, service or late charges collected in conjunction with a transaction, sale or activity of Lessee or Sublessee shall be reported in the same percentage category as the transaction, sale or activity is reported.

4.2.2.7 Percentage Rent Does Not Affect Permitted Uses. It is understood and acknowledged by Lessee that Section 3.1 of this Lease sets forth the Permitted Uses of the Premises by Lessee; thus, the Percentage Rent categories listed in subsection 4.2.2 are not all necessarily applicable to this Lease and are in no way intended to expand the Permitted Uses.

4.2.2.8 Policy Statements. Director, by Policy Statement and with the approval of Lessee, Auditor-Controller and County Counsel may further interpret the definition of gross receipts, with such interpretations to be a guideline in implementing the foregoing subsections of this Lease.

4.2.3 Adjustments to Annual Minimum Rent. As of the First Adjustment Date (as defined in subsection 4.2.1 above) and continuing each third (3rd) consecutive anniversary thereafter until the first Renegotiation Date (as defined in Section 4.3 below), and thereafter each third (3rd), sixth (6th) and ninth (9th) anniversary of each Renegotiation Date (each an "Adjustment Date" and collectively the "Adjustment Dates"), the Annual Minimum Rent shall be adjusted as provided in this subsection 4.2.3. As of the First Adjustment Date, the Annual Minimum Rent shall be adjusted to the

amount that equals seventy-five percent (75%) of the total Annual Rent (including Annual Minimum Rent and Percentage Rent, but without offset of any Lessee Credit that Lessee may have taken as described in Section 4.4 below) that was payable by Lessee to County for the one (1) year period immediately prior to the First Adjustment Date. As of each Adjustment Date thereafter, the Annual Minimum Rent shall be adjusted to the amount which equals seventy five percent (75%) of the average of the total Annual Rent (but without offset of any Lessee Credit which Lessee may have taken as described in Section 4.4 below) that was payable by Lessee to County during the three (3) year period immediately preceding the Adjustment Date.

4.3 Renegotiation of Annual Minimum and Percentage Rents. Effective on the twentieth (20th) anniversary of the Effective Date, and each tenth (10th) anniversary thereafter (each a "Renegotiation Date" and collectively, the "Renegotiation Dates"), the Annual Minimum Rent and Percentage Rent shall be readjusted to the Fair Market Rental Value (as defined below) of the Premises.

4.3.1 Fair Market Rental Value. As used herein, "Fair Market Rental Value" shall mean, as of each Renegotiation Date, the fair market rent (including an annual minimum rent), expressed as respective percentages of Gross Receipts in accordance with the categories enumerated in subsection 4.2.2, which the Premises would bring, on an absolute net basis, taking into account the Permitted Uses, all relevant and applicable County policies and all of the other terms, conditions and covenants contained in the Lease, if the Premises were exposed for lease for a reasonable time on an open and competitive market to a lessee for the purpose of the Permitted Uses, where County and the respective tenant are dealing at arms length and neither is under abnormal pressure to consummate the transaction, together with all restrictions, franchise value, earning power and all other factors and data taken into account in accordance with California law applicable from time to time to eminent domain proceedings. Notwithstanding any contrary provision of this Lease, in acknowledgment and consideration of the Lessee Credit granted to Lessee in Section 4.4 below, in no event shall the percentage of Gross Receipts applicable to the occupancy of apartments set forth in clause (1) of category (c) of subsection 4.2.2 ever be readjusted to less than TEN AND ONE-HALF PERCENT (10.5%), and if the Fair Market Rental Value percentage for the occupancy of apartments is less than TEN AND ONE-HALF PERCENT (10.5%), the requirement that the Gross Receipts percentage applicable to the occupancy of apartments not be readjusted to less than TEN AND ONE-HALF PERCENT (10.5%) shall have no effect on the determination of the Fair Market Rental Value percentages for the other categories of Gross Receipts set forth in subsection 4.2.2.

4.3.2 Renegotiation Period. Not more than one (1) year nor less than nine (9) months prior to the Renegotiation Date, Lessee shall deliver to County written notice setting forth Lessee's determination of the Fair Market Rental Value of the Premises. Lessee's notice shall include a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as Lessee deems relevant or as may be reasonably requested by County. Within one hundred twenty (120) days after receipt of Lessee's notice, if County disagrees with Lessee's determination,

County shall deliver to Lessee written notice of such disagreement, together with County's determination of Fair Market Rental Value and a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as County deems relevant or as may be reasonably requested by Lessee, to the extent available to County. If County fails to deliver to Lessee notice of its disagreement within the aforementioned period and such failure continues for fifteen (15) days after receipt of written notice from Lessee, then Lessee's determination of Fair Market Rental Value shall be binding on County as of the Renegotiation Date; provided, however, that Lessee's notice to County shall conspicuously state in bold faced type that such determination of Fair Market Rental Value shall be binding on County unless County delivers notice of its disagreement within such fifteen (15) day period.

If Lessee fails to deliver the notice described in the first sentence of this subsection, setting forth Lessee's determination of Fair Market Rental Value, and such failure continues for fifteen (15) days after receipt of written notice from County, then County shall submit its determination of Fair Market Rental Value to Lessee, and Lessee shall have fifteen (15) days after the submittal by County to Lessee of County's determination of Fair Market Rental Value to deliver to County written notice of Lessee's agreement or disagreement with County's determination. If Lessee fails to deliver notice of such disagreement within such fifteen (15) day period and County's notice to Lessee conspicuously stated in bold faced type that such determination of Fair Market Rental Value shall be binding on Lessee unless Lessee delivers notice of its disagreement within such fifteen (15) day period, then County's determination of Fair Market Rental Value shall be binding on Lessee as of the Renegotiation Date.

4.3.3 Negotiation of Fair Market Rental Value. If County (or Lessee, as the case may be) does so notify Lessee (or County, as the case may be) of its disagreement as provided in subsection 4.3.2, County and Lessee shall have sixty (60) days from the end of the applicable response period in which to agree upon the Fair Market Rental Value for the Premises. County and Lessee shall negotiate in good faith during said sixty (60) day period. If the parties do so agree, they shall promptly execute an amendment to this Lease setting forth the Fair Market Rental Value so jointly determined, to be effective upon the Renegotiation Date. Director shall be authorized to execute any such amendment on behalf of County. During the period of negotiation, Lessee shall abide by all of the terms and conditions of this Lease, including but not limited to the obligation to continue to pay to County Annual Minimum Rent and Percentage Rent at the then-existing levels.

4.3.4 Arbitration. If County and Lessee fail to reach agreement during the sixty (60) day period set forth in subsection 4.3.3, then, unless the parties agree otherwise, the Fair Market Rental Value of the Premises shall be determined by arbitration as set forth in Article 16 of this Lease and the parties shall execute an amendment to this Lease setting forth the Fair Market Rental Value as determined by arbitration. In order to determine the Fair Market Rental Value of the Premises, the arbitrator shall take into consideration all of the terms, conditions and covenants of this Lease, the earning power and all of the factors and data relating to such value required or

proper to be considered in determining the fair rental value of leaseholds under the laws of eminent domain in the State of California. During the period of arbitration, County and Lessee shall abide by all of the terms and conditions of this Lease, including but not limited to Lessee's obligation to pay to County Annual Minimum Rent and Percentage Rent at then existing levels.

4.3.5 Retroactivity. In the event that, pursuant to subsections 4.3.3 or 4.3.4 hereof, the parties execute an amendment to this Lease setting forth the Fair Market Rental Value and the Annual Minimum Rent, such amendment, if executed prior to the Renegotiation Date, shall be effective as of the Renegotiation Date; if executed after the Renegotiation Date, such amendment shall be retroactive to the Renegotiation Date. In the event that such amendment is executed after the Renegotiation Date, then, within thirty (30) days after such execution, Lessee shall pay to County, or County shall at its election pay or credit to Lessee, the difference, if any, between (a) such Fair Market Rental Value for the Premises and (b) the actual Annual Minimum Rent and Percentage Rent paid by Lessee to County, for the period of time from the Renegotiation Date until the date of such payment. Lessee (with respect to overpayments) or County (with respect to underpayments) shall further be entitled to interest on each portion of such payment from each date on which the applicable rental payments were payable under this Lease to the date paid or credited, whichever is applicable, at the following rates:

(1) the interest rate applicable to the first six (6) months following the Renegotiation Date shall be equal to the average daily rate for the non-restricted funds held and invested by the Treasurer and Tax Collector of Los Angeles County during that period, computed by the Auditor-Controller ("County Pool Rate"); and,

(2) the interest rate applicable to any period of time in excess of six (6) months following the Renegotiation Date shall be the Prime Rate of interest in effect from time to time during the period from the date that is six (6) months after the Renegotiation Date until the date of payment.

4.4 Lessee Credit. In consideration of Lessee's compliance with the affordable housing requirements referenced in Section 8 of the Option Agreement and Section 3.6 of this Lease, Lessee shall be entitled to a credit (the "Lessee Credit") in the principal amount of Four Million Four Hundred Thousand Dollars (\$4,400,000.00). Lessee may apply the Lessee Credit (plus accrued interest on the Lessee Credit as described below) against Annual Rent (including Annual Minimum Rent (or Monthly Minimum Rent) and Percentage Rent) that becomes due and payable under the Lease on and after the Stabilization Date. The "Stabilization Date" shall mean the first day of the month following the month in which the apartment units constructed in accordance with Section 5.1 below are ninety percent (90%) physically occupied by tenants for three (3) consecutive months. Lessee shall exercise its right to apply the Lessee Credit against a particular payment described above by delivering written notice to County of such election on or before the due date of such payment.

Commencing on the Stabilization Date and continuing until the earlier of the full application of the Lessee Credit or the tenth (10th) anniversary of the Stabilization Date,

unapplied portions of the original principal amount of the Lessee Credit shall accrue interest at an annual rate of 3.125%. Such interest shall be added to and considered a part of the Lessee Credit; provided, however, that interest shall accrue only on the unapplied portions of the original principal amount of the Lessee Credit, and no interest shall accrue on or with respect to previously accrued interest; but provided, further, that applications of the Lessee Credit first shall be made from accrued interest and then to reduce the principal balance of the Lessee Credit. Lessee shall be under no obligation to apply the Lessee Credit against the first or any particular amount of Annual Rent. No interest shall accrue prior to the Stabilization Date nor after the tenth (10th) anniversary of the Stabilization Date.

4.5 Payment and Late Fees. Monthly Minimum Rent shall be paid by Lessee in advance. Payments of Minimum Monthly Rent shall be received by County on or before the first day of each calendar month of the Term. Percentage Rent shall be paid by Lessee in arrears. Percentage Rent due, if any, for a given month of the Term shall be received by County on or before the fifteenth day of the calendar month following each month of the Term, calculated as follows: the Lessee shall calculate the total Percentage Rent owed to County for the relevant month of the Term; it shall deduct from said amount the total Monthly Minimum Rent paid to County for that same month; if the resulting amount is a positive number, Lessee shall pay that amount to County; if that amount is a negative number, no Percentage Rent shall be paid to County for that month but nevertheless the Monthly Minimum Rent shall be paid every month of the Term hereof. Percentage Rent payments shall be reconciled annually at the end of each Lease Year, with any Excess Percentage Rent Payments credited as provided in subsection 4.2.2.4. Payment may be made by check or draft issued and payable to The County of Los Angeles, and mailed or otherwise delivered to the Department of Beaches and Harbors, Los Angeles County, 13483 Fiji Way, Trailer No. 2, Marina del Rey, California 90292, or such other address as may be provided to Lessee by County. Lessee acknowledges that County shall have no obligation to issue monthly rental statements, invoices or other demands for payment, and that the rental payments required herein shall be payable notwithstanding the fact that Lessee has received no such statement, invoice or demand.

In the event any payment under this Lease is not received by County by the date due, Lessee acknowledges that County will experience additional management, administrative and other costs that are impracticable or extremely difficult to determine. Therefore, a fee ("Late Fee") of six percent (6%) of the unpaid amount shall be added to any amount unpaid when due and payable; provided that the Late Fee shall be waived with respect to the first occurrence during any Lease Year of a late payment if such payment is received by County within one (1) business day following written notice from County that the unpaid amount was not paid by the date due. In addition to any Late Fee, any unpaid rent due shall additionally bear interest at an annual rate equal to the Prime Rate plus three percent (3%), computed from the date when such amounts were due and payable, compounded monthly, until paid. Lessee acknowledges that such Late Fee and interest shall be applicable to all identified monetary deficiencies under this Lease, whether identified by audit or otherwise, and that interest on such amounts shall accrue from and after the date when such amounts were due and payable as provided herein (as opposed to the date when such deficiencies are identified by County); provided, however, with respect to any obligation of an Encumbrance Holder in connection with the exercise of its cure rights under Article 12 below, interest accrual on any particular obligation for periods prior to the

Encumbrance Holder's acquisition of leasehold title to the Premises shall be limited to a maximum of three (3) years.

4.6 Changes of Ownership and Financing Events. Except as otherwise provided in this Section 4.6, each time Lessee proposes either (a) a Change of Ownership (that is not an Excluded Transfer) or (b) a Financing Event, County shall be paid (1) an Administrative Charge equal to the Actual Cost incurred by County in connection with its review and processing of said Change of Ownership or Financing Event ("Administrative Charge") and (2) subject to the remaining provisions of this paragraph, a Net Proceeds Share, in the event County approves such proposed Change of Ownership or Financing Event and such transaction is consummated. "Net Proceeds Share" shall mean the applicable amount determined pursuant to Section 4.8 of this Lease. Changes of Ownership and Financing Events are further subject to County approval as provided in Articles 12 and 13 of this Lease.

Notwithstanding any contrary provision of this Section 4.6, Lessee shall not be obligated to pay a Net Proceeds Share with respect to (i) the first two Changes of Ownership occurring after the Effective Date but prior to the twelfth (12th) anniversary of the Completion Date, and any Financing Event used to fund the purchase price of such first two Changes of Ownership, (ii) the original construction loan obtained to finance the cost of the Development Work and the Financing Event to take out such original construction loan if as of the date of the closing of such original construction loan Lessee has obtained a forward commitment for such take-out financing, and (iii) the first two Financing Events (other than any Financing Events described in clauses (i) or (ii) above) occurring after the Effective Date but prior to the twelfth (12th) anniversary of the Completion Date. Lessee shall, however, be obligated to pay a Net Proceeds Share with respect to the third (3rd) and any subsequent Change of Ownership, and with respect to the third (3rd) and any subsequent Financing Event (other than the Financing Events described in clauses (i) or (ii) above), occurring during the period between the Effective Date and the twelfth (12th) anniversary of the Completion Date. In addition, Lessee shall be obligated to pay a Net Proceeds Share with respect to any Change of Ownership or Financing Event occurring after the twelfth (12th) anniversary of the Completion Date.

4.6.1 Change of Ownership. "Change of Ownership" shall mean (a) any transfer by Lessee of a five percent (5%) or greater direct ownership interest in this Lease, (b) the execution by Lessee of a Major Sublease or the transfer by the Major Sublessee under a Major Sublease of a five percent (5%) or greater direct ownership interest in such Major Sublease, (c) any transaction or series of related transactions not described in subsections 4.6.1(a) or (b) which constitute an Aggregate Transfer of fifty percent (50%) or more of the beneficial residual interests in Lessee or a Major Sublessee, or (d) a Change of Control (as defined below) of Lessee or a Major Sublessee. Notwithstanding the foregoing, with respect to any Aggregate Transfer of beneficial residual interests in Lessee by AIG Global Real Estate Investment Corp. or any person or entity that directly or indirectly controls, is controlled by, or is under common control with, AIG Global Real Estate Investment Corp. (collectively, an "AIG Entity"), the phrase "fifty percent (50%) or more" in clause (c) above shall be changed to "more than fifty percent (50%)."

For the purposes of this Lease, "Change of Control" shall refer to a transaction whereby the transferee acquires a beneficial residual interest in Lessee or a Major Sublessee which brings its cumulative beneficial residual interest in Lessee or a Major Sublessee, as appropriate, to over fifty percent (50%).

4.6.2 Excluded Transfers. Notwithstanding anything to the contrary contained in this Lease, Changes of Ownership resulting from the following transfers ("Excluded Transfers") shall not be deemed to create an obligation to pay County a Net Proceeds Share or any Administrative Charge:

4.6.2.1 a transfer by any direct or indirect partner, shareholder or member of Lessee (or of a limited partnership, corporation or limited liability company that is a direct or indirect owner in Lessee's ownership structure) as of the Effective Date or the date on which a Change of Ownership occurred as to the interest transferred, to any other direct or indirect partner, shareholder or member of Lessee (or of a limited partnership, corporation or limited liability company that is a direct or indirect owner in Lessee's ownership structure) as of the Effective Date, including in each case to or from a trust for the benefit of the immediate family (as defined in subsection 4.6.2.3 below) of any direct or indirect partner or member of Lessee who is an individual;

4.6.2.2 a transfer to a spouse in connection with a property settlement agreement or decree of dissolution of marriage or legal separation, as long as such transfer does not result in a change in the management of Lessee;

4.6.2.3 a transfer of ownership interests in Lessee or in constituent entities of Lessee (i) to a member of the immediate family of the transferor (which for purposes of this Lease shall be limited to the transferor's spouse, children, parents, siblings and grandchildren), (ii) to a trust for the benefit of a member of the immediate family of the transferor, (iii) from such a trust or any trust that is an owner in a constituent entity of Lessee as of the Effective Date, to the settlor or beneficiaries of such trust or to one or more other trusts created by or for the benefit of any of the foregoing persons, whether any such transfer described in this subsection 4.6.2.3 is the result of gift, devise, intestate succession or operation of law, or (iv) in connection with a pledge by any partners of a constituent entity of Lessee to an affiliate of such partner;

4.6.2.4 a transfer of a beneficial interest resulting from public trading in the stock or securities of an entity, where such entity is a corporation or other entity whose stock or securities is/are traded publicly on a national stock exchange or is traded in the over-the-counter market and whose price is regularly quoted in recognized national quotation services;

4.6.2.5 a mere change in the form, method or status of ownership (including, without limitation, the creation of single purpose entities) so long as the ultimate beneficial ownership remains the same as of the Effective Date, or as otherwise excluded in accordance with subsections 4.6.2.1 through 4.6.2.4 above;

4.6.2.6 any transfer consummated pursuant to Section 12.02(a) of the Limited Partnership Agreement of Lessee in the form of such partnership agreement existing as of the date of Lessee's acquisition of the leasehold under the Pre-Existing Parcel 10R Lease and delivered to County on or prior to such date [IF PRIOR TO THE EXECUTION OF THE RESTATED LEASE DIRECTOR IN ITS DISCRETION APPROVES THE FORM OF SECTION 12.02(A) OF THE LIMITED PARTNERSHIP AGREEMENT OF LESSEE AS OF THE EFFECTIVE DATE, THEN PRIOR TO THE EXECUTION OF THE LEASE THE ABOVE REFERENCE TO THE FORM OF THE LIMITED PARTNERSHIP AGREEMENT AS OF A CERTAIN DATE SHALL BE REVISED TO BE THE FORM IN EFFECT AS OF THE EFFECTIVE DATE];

4.6.2.7 any transfer resulting from a Condemnation by County; or

4.6.2.8 any assignment of the Lease by Lessee to a parent, subsidiary or affiliate of Lessee in which there is no change to the direct and indirect beneficial ownership of the leasehold interest.

4.6.3 Aggregate Transfer. "Aggregate Transfer" shall refer to the total percentage of the shares of stock, partnership interests, membership interests or any other equity interests (which constitute beneficial residual interests in Lessee or a Major Sublessee, as appropriate) transferred or assigned in one transaction or a series of related transactions (other than those enumerated in subsection 4.6.2) occurring since the later of (a) the Effective Date, (b) the execution by Lessee of this Lease or a Major Sublease, as appropriate, or (c) the most recent Change of Ownership upon which an Administrative Charge was paid to County; provided, however, that there shall be no double counting of successive transfers of the same interest in the case of a transaction or series of related transactions involving successive transfers of the same interest. Isolated and unrelated transfers shall not be treated as a series of related transactions for purposes of the definition of Aggregate Transfer.

4.6.4 Beneficial Residual Interest. As used in this Lease, "beneficial residual interest" shall refer to the ultimate direct or indirect ownership interests in Lessee (or a Major Sublessee, as applicable), regardless of the form of ownership and regardless of whether such interests are owned directly or through one or more layers of constituent partnerships, corporations, limited liability companies or trusts.

4.6.4.1 Interests Held By Entities. Except as otherwise provided herein, an interest in Lessee, this Lease or a Major Sublease held or owned by a partnership, limited liability company, corporation or other entity shall be treated as owned by the partners, members, shareholders or other equity holders of such entity in proportion to their respective equity interests, determined by reference to the relative values of the interests of all partners, members, shareholders or other equity holders in such entity. Where more than one layer of entities exists between Lessee or a Major Sublessee, as appropriate, and the ultimate owners, then the foregoing sentence shall be applied successively to each such entity in

order to determine the ownership of the beneficial interests in Lessee, this Lease or a Major Sublease, as appropriate, and any transfers thereof.

4.6.4.2 Ownership of Multiple Assets. The proceeds of any event constituting or giving rise to a Change of Ownership shall be apportioned to this Lease or a Major Sublease, whichever is appropriate, and to any other assets transferred in the same transaction in proportion to the relative fair market values of the respective assets transferred. The Net Proceeds Share shall be calculated only by reference to the amount of such proceeds apportioned to this Lease, a Major Sublease or the beneficial interests therein, whichever is appropriate.

4.7 Calculation and Payment. A deposit of Fifteen Thousand and 00/100 Dollars (\$15,000) toward the Administrative Charge shall be due and payable upon Lessee's notification to County of the proposed Change of Ownership (that is not an Excluded Transfer) or Financing Event and request for County's approval thereof. If the transaction is approved, the balance of the Administrative Charge, if any, and the Net Proceeds Share shall be due and payable concurrently with the consummation of the transaction constituting the Change of Ownership or Financing Event giving rise to the obligation to pay such fee, regardless of whether or not money is transferred by the parties in connection with such consummation. If County disapproves the proposed transaction then, within thirty (30) days after notice of its disapproval, County shall deliver to Lessee a written notice setting forth the Administrative Charge (including documentation in support of the calculation of the Administrative Charge), together with a refund of the amount, if any, of the deposit in excess of the Administrative Charge otherwise allowable under Section 4.6. In the event that the Administrative Charge exceeds the deposit, then Lessee shall pay County the balance of the Administrative Charge otherwise allowable under Section 4.6 within thirty (30) days after receipt of the notice from County setting forth the Administrative Charge (including documentation in support of the calculation of the Administrative Charge) and any additional supporting documentation reasonably requested by Lessee within five (5) business days after its receipt of such notice. Together with its request for County approval of the proposed transaction, Lessee, a Major Sublessee or the holder of a beneficial interest in this Lease or a Major Sublease, whichever is appropriate, shall present to County its calculation of the Net Proceeds Share (if any) anticipated to be derived therefrom, which shall include the adjustment to Improvement Costs, if any, which may result from the payment of such Net Proceeds Share ("Calculation Notice"). Each Calculation Notice shall contain such detail as may be reasonably requested by County to verify the calculation of the Net Proceeds Share. Within thirty (30) days after the receipt of the Calculation Notice and all information or data reasonably necessary for County to verify the calculations within the Calculation Notice, County shall notify the party giving the Calculation Notice as to County's agreement or disagreement with the amount of the Net Proceeds Share set forth therein or the related adjustment of Improvement Costs, if any. Failure of County to approve the Calculation Notice in writing within such thirty (30) day period shall be deemed to constitute County's disapproval thereof. Failing mutual agreement within thirty (30) days after the expiration of said thirty (30) day period, the dispute shall be resolved by arbitration as set forth in Article 16 of this Lease in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value. In the event County approves a Change of Ownership or Financing Event but a dispute exists as to the Net Proceeds Share in respect thereof or the related adjustment, if any, in Improvement Costs, then the transaction may be consummated after County has disapproved

Lessee's Calculation Notice; provided, however, that (i) Lessee shall remit to County as otherwise required hereunder the undisputed portion of the Net Proceeds Share and (ii) Lessee shall deposit the disputed portion of the Net Proceeds Share into an interest bearing escrow account at the closing of the transaction (or deliver to County a letter of credit or other security reasonably acceptable to County in the amount of the disputed portion), which disputed portion shall be distributed in accordance with the arbitration of the dispute pursuant to Article 16 of this Lease, in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value.

4.7.1 Transfer of Less Than Entire Interest. Where a Change of Ownership has occurred by reason of the transfer of less than all of an owner's beneficial interest in Lessee, this Lease or a Major Sublease, the Net Proceeds Share shall be due and payable with respect to those portions of such beneficial interest that have been acquired by the transferee since the latest of (a) the Effective Date, (b) the most recent event creating Lessee's obligation to pay a Net Proceeds Share (including without limitation an approval by County of a transfer at a price which falls below the threshold for paying a Net Proceeds Share) with respect to this Lease (or a Major Sublease), or (c) the date which is twelve (12) months prior to the transfer which constitutes the Change of Ownership.

4.7.2 Purchase Money Notes. If the transferor of an interest accepts a note made by the transferee of such interest in payment of all or a portion of the acquisition cost (a "Purchase Money Note"), such note shall be valued at its face amount; provided that if the interest rate on such Purchase Money Note is in excess of a market rate, then the value of such note shall be increased to reflect such above-market rate. Any disputes between County and Lessee as to whether the interest rate on a Purchase Money Note is in excess of a market rate or with respect to the valuation of a Purchase Money Note with an above-market rate of interest, shall be settled by arbitration pursuant to Article 16 below.

4.7.3 Obligation to Pay Net Proceeds Share and Administrative Charge. With respect to a Change of Ownership giving rise to the Administrative Charge and Net Proceeds Share, the obligation to pay the Administrative Charge and Net Proceeds Share shall be the joint and several obligation of the transferor and transferee. In the event that the Administrative Charge or Net Proceeds Share is not paid when due with respect to the beneficial interest in this Lease, then County shall have the remedies set forth in Section 13.3 hereof; provided, however, in the case of a transfer of an interest in Lessee (as opposed to a transfer by Lessee of an interest in the Lease or the Premises) in which the transferor and transferee fail to pay the Administrative Charge and/or Net Proceeds Share due hereunder, as long as Lessee uses its best efforts to cause the payment of the required Administrative Charge and Net Proceeds Share to be made, County shall, for a period of up to three (3) years following the Change of Ownership, forbear from exercising any right to terminate the Lease as a result thereof; provided further that at the end of such three (3) year period County shall no longer have any obligation to forbear from terminating the Lease if the Administrative Charge and Net Proceeds Share, plus interest as described below, has not been paid in full. An Administrative Charge and Net Proceeds Share not paid when due hereunder shall bear interest at the Prime Rate plus three percent (3%). For purposes of determining whether County is required to forbear

from terminating the Lease as described above, Lessee's obligation to use its best efforts to cause the payment of the unpaid Administrative Charge and/or Net Proceeds Share shall include the obligation at Lessee's expense, to institute a legal action against the transferor and transferee within ninety (90) days following the date of the transfer and to diligently prosecute such legal action to completion.

4.8 Net Proceeds Share. If a Change of Ownership for which a Net Proceeds Share is payable hereunder occurs prior to the twenty-fifth (25th) anniversary of the Completion Date, the Net Proceeds Share shall be an amount equal to (a) one percent (1%) of the Gross Transfer Proceeds (as defined below) from the Change of Ownership, less (b) the Administrative Charge payable by Lessee in connection with the transaction. If a Change of Ownership for which a Net Proceeds Share is payable hereunder occurs after the twenty-fifth (25th) anniversary of the Completion Date, the Net Proceeds Share shall be the amount by which (a) the greater of (i) two percent (2%) of the Gross Transfer Proceeds from such transfer, or (ii) twenty percent (20%) of the Net Transfer Proceeds from such transfer, exceeds (b) the Administrative Charge paid by Lessee to County in connection with the transaction. With respect to a Financing Event for which a Net Proceeds Share might be payable hereunder, the Net Proceeds Share (if any) shall be the amount by which (I) twenty percent (20%) of the Net Refinancing Proceeds from such Financing Event exceeds (II) the Administrative Charge paid by Lessee to County in connection with the transaction. For purposes hereof, "Gross Transfer Proceeds" shall mean an amount equal to the gross sale or transfer proceeds and other consideration given for the interests transferred (but in the case of a transfer to a party affiliated with or otherwise related to the transferor which constitutes a Change of Ownership that is not an Excluded Transfer, such consideration shall in no event be deemed to be less than the fair value of the interests transferred; if Lessee and County are unable to agree upon such fair value, then the matter shall be determined pursuant to Article 16).

4.8.1 Transaction by Original Lessee. In the case of a transfer by Lessee (but not a transfer by a successor or assignee of Lessee) constituting a Change of Ownership for which a Net Proceeds Share is payable, "Net Transfer Proceeds" shall mean the Gross Transfer Proceeds from the transfer, less the following costs with respect to Lessee (but not its successors or assignees):

4.8.1.1 The sum of (a) (a) the One Hundred Thousand Dollar (\$100,000.00) Option Fee paid by Lessee pursuant to the Option Agreement, plus (b) actual out-of-pocket costs incurred by Lessee for its third party consultants and attorneys and Actual Costs reimbursed to County in connection with the negotiation and consummation of the Option Agreement and this Lease (the sum of the amounts in (a) and (b) are referred to as the "Base Value"), plus (c) (i) the final actual construction costs paid by Lessee in connection with the construction of the Development Work and other capital renovations to the Premises, or other physical capital Improvements or Alterations to the Premises (including future capital redevelopment and rehabilitation work, but not periodic maintenance and repair) constructed by Lessee in compliance with Article 5 of this Lease (including in each case all hard and soft costs, construction period interest on Lessee's construction loan, and developer fees incurred by Lessee, as long as such developer fees do not exceed four percent (4%) of hard construction costs), which

costs have been submitted to County within ninety (90) days after the completion of such Improvements (or in the case of phased construction, within ninety (90) days after the completion of the applicable phase), together with a written certification from Lessee and Lessee's construction lender, if any, to the effect that such costs are accurate, (ii) all costs incurred by Lessee for the Wetland Park, whether pursuant to Section 5.2 below or as a contribution to the development costs incurred by the lessee of Parcel 9U which may be incurred pursuant to a separate agreement approved by County and (iii) the "Lessee Parking Facility Construction Cost Share" as defined in Section 5.15 below (the amounts described in this clause (c) are referred to as "Improvement Costs").

Notwithstanding the foregoing, with respect to Improvements or Alterations which are not part of the Development Work, Lessee shall submit the cost of such Improvements on an annual basis within ninety (90) days following the end of each fiscal year. If by the date that is ninety (90) days after the completion of the Development Work (or other Improvements) the final amount of the Improvement Costs is not established because of a dispute or disputes between Lessee and its contractor(s), then Lessee shall note such dispute(s) in its submission of the Improvement Costs (including a description of the costs and the amounts under dispute). Lessee shall thereafter notify County in writing within thirty (30) days after the resolution of any such dispute as to any final adjustment required to the amount of the Improvement Costs to reflect the resolution of such dispute.

4.8.1.2 Commissions, title and escrow costs, documentary transfer taxes, sales and use taxes, reasonable attorneys' fees, prepayment fees, penalties or other similar charges (such as yield maintenance premiums or defeasance costs), and other bona fide closing costs actually paid to third parties and documented to the reasonable satisfaction of County, which costs were directly attributable to the consummation of the particular transaction giving rise to the obligation to pay County a Net Proceeds Share (collectively, "Documented Transaction Costs").

4.8.1.3 That portion of the principal amount of any Financing Event after the Effective Date that constituted Net Refinancing Proceeds on which Lessee paid County a Net Proceeds Share (or, in the case of a Financing Event on which Lessee would have paid a Net Proceeds Share but for the exceptions set forth in Section 4.6).

4.8.2 Transfer by Lessee's Successor. In the case of a transfer by a Lessee other than the original Lessee, "Net Transfer Proceeds" shall mean the Gross Transfer Proceeds received by that successor, minus the following costs with respect to such successor Lessee:

4.8.2.1 The greatest of (a) the sum of the Base Value, plus Improvement Costs incurred subsequent to the Effective Date but prior to the acquisition of the leasehold interest by such successor, (b) the purchase price such successor paid to Lessee or such successor's seller for the interest acquired or (c) the original principal amount of any Financing Event or Financing Events (on a

non-duplicative basis) after such successor Lessee's acquisition of the leasehold and with respect to which County was paid a Net Proceeds Share (or, in the case of a Financing Event on which Lessee would have paid a Net Proceeds Share but for the exceptions set forth in Section 4.6), plus the principal amount of any financing existing as of the date on which such seller acquired the leasehold or subsequently obtained by Lessee, if such financing has not been refinanced, but without duplication;

4.8.2.2 Improvement Costs actually paid by such successor Lessee after such successor Lessee's acquisition of its leasehold interest in the Premises (but not duplicative of the principal amount of any Financing Event described in clause 4.8.2.1(c) above, the proceeds of which were used to fund such Improvement Costs); provided that such costs have been submitted to County, with an appropriate lender and Lessee certification, as provided in subsection 4.8.1.1; and,

4.8.2.3 Documented Transaction Costs with respect to the transfer of the interest by the successor.

4.8.3 Transfers of Major Sublessee's Interest. With respect to any Change of Ownership described in subsection 4.6.1(b), subsections 4.8.1 and 4.8.2 shall apply, except that any rents or other amounts received by Lessee from the Major Sublessee a percentage of which is passed through to County under any provision of this Lease (other than payment of Net Proceeds Share) shall be disregarded in the computation of Net Transfer Proceeds.

4.8.4 Other Transfers. With respect to any Change of Ownership that is not an Excluded Transfer and is not described in subsections 4.8.1 through 4.8.3 (e.g., a transfer of an interest in an entity holding a direct or indirect ownership interest in this Lease or in a Major Sublease), subsections 4.8.1 and 4.8.2 shall apply to such Change of Ownership, except that in lieu of deducting the Base Value and Improvement Costs in determining Net Transfer Proceeds, the cost to the transferor of the interest being transferred or which was transferred in the past but constitutes a portion of an Aggregate Transfer (which cost shall in no event be deemed to be less than a pro rata share of the Base Value and Improvement Costs (or following a transfer by the original Lessee, such cost shall in no event be deemed to be less than a prorata share of the sum of subsections 4.8.2.1 plus 4.8.2.2 as of the respective date of the transfer of each interest in the aggregation pool)) shall be deducted. Furthermore, in the event that any such Change of Ownership produces a Net Proceeds Share, the then existing Improvement Costs shall be increased by an appropriate amount to reflect the basis on which the Net Proceeds Share was calculated, and the basis of the interest that was transferred and for which a Net Proceeds Share was paid shall also be increased for subsequent transfers of the same interest, as if realized by Lessee upon a transfer of a comparable interest in this Lease or in a Major Sublease, as appropriate.

4.8.5 Net Refinancing Proceeds. "Net Refinancing Proceeds" shall mean the gross principal amount of any Financing Event after the Effective Date (plus in the

case of secondary financing the original principal balance of any existing financing that is not repaid as a part of such secondary financing), minus (i) the greatest of (a) the Base Value plus the Improvement Costs, (b) the original principal amount of any subsequent refinancing by Lessee in connection with which County was paid a Net Proceeds Share (or, in the case of a Financing Event in connection with which Lessee would have paid a Net Proceeds Share but for the exceptions set forth in Section 4.6) plus if the financing described in this clause (b) was secondary financing, the original principal balance of any then existing financing that was not repaid as a part of such secondary financing, or (c) in the case of a successor Lessee, the purchase price such successor paid to Lessee or such successor's seller for the interest acquired, (ii) any portion of the proceeds of the Financing Event which shall be used for Improvement Costs, (iii) other Improvement Costs incurred by Lessee and not paid for or repaid with the proceeds of any Financing Event, and (iv) Documented Transaction Costs with respect to such Financing Event, and Documented Transaction Costs with respect to any previous refinancing to the extent such previous refinancing did not produce sufficient Net Refinancing Proceeds against which such Documented Transaction Costs could be offset. Notwithstanding the foregoing, there shall be no double counting of Improvement Costs in clauses (i), (ii) and (iii) above. In addition, notwithstanding any contrary provision of Section 4.6 above pursuant to which a Net Proceeds Share would be due upon a Financing Event, if the purpose of a Financing Event is to fund the acquisition cost (or a portion of the acquisition cost) of a Change of Ownership that is not an Excluded Transfer, then to the extent that the gross principal amount of the Financing does not exceed the gross sale or transfer price of such Change of Ownership, and if the Financing Event is consummated concurrently with the consummation of the Change of Ownership, there shall not be any separate Net Proceeds Share payable in connection with such Financing Event.

4.8.6 Transfers to which Sections 4.6 through 4.8 Apply. The provisions of Sections 4.6 through 4.8 hereof shall apply to all transfers of beneficial interests in this Lease or a Major Sublease which constitute a Change of Ownership, unless such transfers are otherwise excluded pursuant to this Lease. Furthermore, the provisions of Sections 4.6 through 4.8 of this Lease, and the principles set forth therein, shall apply to any transfer or series of transfers which County can demonstrate was primarily structured for the purpose of avoiding the obligation to pay Net Proceeds Share set forth in Sections 4.6 through 4.8 of this Lease and which, viewed together, would otherwise constitute a Change of Ownership.

4.8.7 Payment. Net Proceeds Share shall be due and payable concurrently with the transfer giving rise to the obligation to pay such share and shall be the joint and several obligation of the transferee and transferor. Net Proceeds Share not paid when due shall be subject to a late fee of six percent (6%) of the amount due, together with interest on such Net Proceeds Share and late fee at the Applicable Rate from the date due until paid; provided that in the case of a dispute as to the correct amount of the Net Proceeds Share there shall be no late fee payable as long as Lessee timely pays to County the undisputed portion of the Net Proceeds Share and deposits the disputed portion thereof in an interest bearing escrow account at the closing of the transaction (or delivers to County a letter of credit or other security reasonably acceptable to County in the amount of such disputed portion). In the event that the proceeds of the transaction giving rise to the

obligation to pay Net Proceeds Share are comprised, in whole or in part, of assets other than cash, then the cash payment of the Net Proceeds Share shall reflect the fair market value of such non-cash assets as of the date of the Change of Ownership, which shall be set forth in the Calculation Notice. Notwithstanding the foregoing, in the case of a Change of Ownership described in subsection 4.6.1(b), the Net Proceeds Share shall be payable to County as and when the Net Transfer Proceeds are received, with the Net Proceeds Share being equitably apportioned to the payments derived by Lessee from said Change of Ownership (other than any payments passed through to County under this Lease).

4.8.8 Shareholder, Partner, Member, Trustee and Beneficiary List. Prior to the Effective Date, prior to each subsequent Change of Ownership or Financing Event and upon the request of County (which requests shall be no more frequent than once per year), Lessee shall provide County with an updated schedule listing the names and mailing addresses of (i) all shareholders, partners, members and other holders of equity or beneficial interests in Lessee, this Lease or the Major Sublessee under any Major Sublease, and (ii) all shareholders, partners, members and other holders of equity or beneficial interests in any of the constituent shareholders, partners, members or other holders of equity or beneficial interests in Lessee or any Major Sublessee under any Major Sublease, if such interest exceeds a five percent (5%) or greater beneficial interest in Lessee or the Major Sublessee under a Major Sublease. In the event that such shareholder, partner, member or other interest holder is a trust, Lessee shall include in such schedule the name and mailing address of each trustee of said trust, together with the names and mailing addresses of each beneficiary of said trust with greater than a five percent (5%) actuarial interest in distributions from, or the corpus of, said trust; provided, however, that to the extent that Lessee is prevented by Applicable Laws from obtaining such information regarding the beneficiaries of said trust(s), Lessee shall have complied with this provision if Lessee uses its best efforts to obtain such information voluntarily and provides County with the opportunity to review any such information so obtained. Lessee agrees to use its best efforts to provide County with any additional information reasonably requested by County in order to determine the identities of the holders of five percent (5%) or greater beneficial interests in Lessee or a Major Sublease.

5. CONSTRUCTION OF IMPROVEMENTS.

5.1 Development Work. It is expressly understood and agreed that following the Effective Date Lessee shall proceed to demolish the parking lot on the Premises and construct one hundred twenty six (126) new luxury apartment units on the Premises, consisting of eighty four (84) one bedroom and forty two (42) two bedroom units. The construction of such new apartments, along with all associated improvements, parking facilities, hardscape, landscape and other site work approved by County and to be performed in connection with the construction of such new apartments, are herein collectively referred to as the "Development Work."

The scope, design, density, site coverage, layout and open space, view corridors, building height, construction materials, landscaping, hardscaping and other improvement specifications pertaining to the Development Work shall be in accordance with the general development plan attached to this Lease as Exhibit B and shall be subject to County's approval as set forth in this

Article 5 and Section 6.3 of the Option Agreement. The design and quality standards for the Development Work shall be at least commensurate with those of luxury apartment projects recently constructed on the Westside of Los Angeles.

Lessee shall be responsible for the acquisition and compliance with all required governmental (including, without limitation, County, Coastal Commission and Design Control Board) planning and entitlement approvals for the Development Work. Lessee shall be solely responsible for all costs and expenses incurred in connection with the design, entitlement and construction of the Development Work.

Lessee shall comply with all time deadlines and schedules set forth in this Article 5 relating to the completion of the design and construction of the Development Work. Lessee's failure to do so shall, if not cured within the applicable cure period set forth in subsection 13.1.2, constitute an Event of Default. Except to the extent Lessee is prevented from so doing by the events identified in Sections 5.6 or 5.7, Lessee shall cause the Substantial Commencement of Construction of the Development Work in accordance with the Final Development Work Plans and Specifications (as defined in subsection 5.1.1 below) to occur on or before that date (the "Required Construction Commencement Date") which is either (i) six (6) months following the Effective Date, if the option to amend the Pre-Existing Parcel 10R Lease set forth in the Option to Amend Lease Agreement between County and Lessee for the Parcel 10R Premises (the "Parcel 10R Option") has not been exercised as of the Effective Date, or (ii) twelve (12) months following the Effective Date if the Parcel 10R Option has been exercised as of the Effective Date (such twelve (12) month period to be reduced on a daily basis for each day beyond six (6) months following the Effective Date of the Parcel 10R Restated Lease that the Effective Date of this Lease occurs, but in no event shall such twelve (12) month period be reduced below six (6) months). If the Parcel 10R Option has been exercised, then prior to the Required Construction Commencement Date Lessee shall have the right to use the Premises as a staging area for the construction on the Parcel 10R Premises. Except to the extent Lessee is prevented from so doing by the events identified in Sections 5.6 or 5.7, Lessee shall cause the Substantial Completion of the Development Work to occur on or before that date (the "Required Construction Completion Date") that is no later than the later of (i) twelve (12) months following the Substantial Completion (as defined in the Parcel 10R Restated Lease) of the Parcel 10R Redevelopment Work (as defined in Section 5.1 of the Parcel 10R Restated Lease exclusive of the Public Docks described in the Parcel 10R Restated Lease), but not later than twelve (12) months following the "Required Construction Completion Date" under the Parcel 10R Restated Lease, or (ii) twenty two (22) months following the Effective Date; provided, however, that if Parcel 10R Option has not been exercised as of the Effective Date, then the Required Construction Completion Date shall be twenty two (22) months following the Effective Date.

For the purposes of this Lease, "Substantial Commencement" or "Substantial Commencement of Construction" shall mean the commencement of the demolition work required in connection with the Development Work, as long as following the commencement of demolition Lessee diligently proceeds to complete such demolition work and commences the actual construction of the Improvements immediately following the completion of demolition. For purposes of this Lease, the terms "Substantial Completion" or "Substantially Complete" shall mean the completion of the Development Work in accordance with the Final Development Work Plans and Specifications, subject to minor so-called punch list items that do not interfere

with the use and occupancy of the Development Work. Without limitation of any other requirements for Substantial Completion, the Development Work shall not be considered Substantially Completed until Lessee has received a temporary certificate of occupancy or equivalent approval required for the legal occupancy and use of the Development Work. The Required Construction Commencement Date and Required Construction Completion Date will be extended only under the specific circumstances set forth in Sections 5.6 or 5.7, and under no other circumstances.

5.1.1 Final Development Work Plans and Specifications. Pursuant to Sections 6.3.1 and 6.3.2 of the Option Agreement, County has heretofore approved the Schematics and the Preliminary Plans for the Development Work. On or before ninety (90) days prior to the Required Construction Commencement Date, Lessee shall submit for approval by Director six (6) complete sets of final plans and detailed specifications for the Development Work on the Premises (the "Final Plans"), together with one (1) set of appropriate structural computations, identical to those requested or required by the County Director of Public Works incident to the issuance of building permits under the relevant provisions of the Los Angeles County Building Code. The Final Plans shall reflect a natural progression and logical evolution from the Preliminary Plans approved under the Option Agreement. Lessee shall file duplicate copies of the Final Plans required by this subsection with the County Director of Public Works, together with the necessary and appropriate applications for building permits for the Development Work on the Premises. Any material difference in the scope, size, configuration, arrangement or motif of the Improvements described in the Final Plans from those described in the Preliminary Plans for the Premises approved under Section 6.3.2 of the Option Agreement shall be separately identified and described. Director shall have twenty one (21) days within which to approve or disapprove the Final Plans, which approval shall not be unreasonably withheld. Director may disapprove the Final Plans only on the grounds that they do not reflect a natural evolution from or that they materially differ from the approved Preliminary Plans (exclusive of any Approved Governmental Changes, as defined in Section 6.3.1 of the Option Agreement). Failure of Director to disapprove said Final Plans within twenty one (21) days after Director's receipt shall be deemed Director's approval thereof; provided, however, that in the event that the Final Plans contain substantial changes from the Preliminary Plans (other than any Approved Governmental Changes), then Director shall have sixty (60) days in which to approve the Final Plans, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the Final Plans, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

"PURSUANT TO SUBSECTION 5.1.1 OF THE LEASE, IF THESE MATERIALS CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN ANY APPROVED GOVERNMENTAL CHANGES) FROM THE MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING

WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM.”

Following any deemed disapproval by Director of such submission, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director’s objections to the submission. Director’s approval shall not be unreasonably withheld; provided, however, that it shall be deemed reasonable to disapprove any submission not in substantial conformity with the approved Preliminary Plans (exclusive of any Approved Governmental Changes). Upon approval, the Final Plans shall be referred to herein as the “Final Development Work Plans and Specifications.” No material modifications shall be made to the Improvements described in the approved Final Development Work Plans and Specifications, without the prior written approval of Director, which shall not be unreasonably withheld.

5.2 Wetland Park. **[ALTERNATIVE 1:** Lessee and [_____] **(insert name of lessee of Parcel 9U)]** have entered into that certain agreement for the development of a wetland park on Parcel ____ (the “Wetland Park” and the “Wetland Park Agreement”). A default by Lessee under the Wetland Park Agreement shall constitute a default under this Lease subject to the cure periods provided in subsections 13.1.1 and 13.1.3 below.]

[ALTERNATIVE 2: If an option for the lease of Parcel 9U has not been exercised as of the Effective Date, then Lessee shall construct a wetland park on Parcel ____ (the “Wetland Park”) in accordance with the Wetland Park design approved by County pursuant to the Option Agreement. County hereby grants to Lessee access to the land on which the Wetland Park is to be constructed for the purpose of the construction thereof. In addition, to the extent necessary for staging or construction access purposes, County agrees to provide Lessee with access to Parcel 9U on terms and conditions reasonably satisfactory to County and Lessee, provided that such access for staging or construction access purposes does not interfere with the use or development of Parcel 9U.

Construction of the Wetland Park shall constitute a portion of the Development Work and Lessee shall be required to Substantially Complete construction of the Wetland Park by the Required Construction Completion Date. Without limitation of any other provisions of this Article 5 that are applicable to the construction of the Wetland Park as part of the Development Work, the Wetland Park shall be constructed in a good and workmanlike fashion and in compliance with all Applicable Laws, and the terms of Sections 5.4, 5.8, 5.9, 5.11, 5.12, 9.1.5 and 9.3 shall be applicable to the Wetland Park as if the Wetland Park was part of the Premises.

If, within 10 years of the Effective Date, either (i) County grants an option to lease all or a portion of Parcel 9U for private development to any third party and such optionee at any time thereafter exercises such option or (ii) County or any other public entity commences to use all or a portion of Parcel 9U for other than a park, parking lot or open space area, then County shall require that such third party, County or other public entity, immediately upon either the exercise of the option by such third party or commencement of use by County or any other public entity (but in no event earlier than sixty (60) days following delivery by Lessee to County

of the final Wetland Park Development Costs Report described in the next paragraph that sets the proper amount of Wetland Park Development Costs required to be reimbursed hereunder) reimburse Lessee for one-half of the development costs (the "Wetland Park Development Costs") incurred by Lessee for the development of the Wetland Park, adjusted for any increase (but not decrease) in the Consumer Price Index from the month in which the date of completion of the Wetland Park occurs through the month prior to the month in which payment occurs, as a requirement for leasing or utilizing all or a portion of Parcel 9U.

Not later than thirty (30) days following completion of the Wetland Park and delivery of the Wetland Park to County, Lessee shall provide to County a final "Wetland Park Development Costs Report" reasonably satisfactory to County, which shall include, without limitation, detail of all hard and soft costs for the construction of the Wetland Park (along with copies of all contracts, invoices, evidences of payment and all other background material reasonably requested by County). The Wetland Park Development Costs shall include only out-of-pocket costs paid by Lessee to third parties and that are approved in advance by the Director; provided, however, there may be included in the Wetland Park Development Costs a developer fee or a construction management fee not exceed four percent (4%) of hard construction costs and construction period interest on all hard and soft costs incurred by Lessee in the development of the Wetland Park. Except for the foregoing developer or construction management fee, there shall be no other administrative, supervision, development, management or overhead fees or charges. No penalty charges or any charges incurred by Lessee as a result of its mismanagement or negligence in the construction of the Wetland Park shall be included.

Following completion of the Wetland Park, County shall assume full control and responsibility for the operation and maintenance of the Wetland Park and Lessee shall assign all construction warranties to County.]

5.3 Plans and Specifics for Alterations. For purposes of this Lease, "Alterations" means any and all alterations or modifications to the Improvements located on the Premises or the construction of any new Improvements on the Premises, other than the Development Work. Lessee shall make no Alterations to the Improvements located on the Premises without the prior written approval by Director of such Alterations (including the Director's approval of the plans, specifications and other materials pertaining to such Alterations required under this Section 5.3). Prior and as a condition precedent to the construction of any Alterations, Lessee shall submit to Director, for Director's approval, the plans, specifications and other materials described in this Section 5.3 pertaining to such Alterations. All Alterations must be consistent with the Permitted Uses set forth in Article 3 of this Lease. The plan submittal and approval procedures set forth in subsections 5.3.1 through 5.3.3 below shall not be applicable to the Development Work. The Development Work shall be subject to the plan submittal and approval procedures set forth in the Option Agreement and subsection 5.1.1 of this Lease.

5.3.1 Schematics and Narrative. Lessee shall submit to the Director six (6) sets of schematic plans together with a narrative description and construction cost estimate summary clearly delineating the nature, size, configuration and layout of the Alterations. Such plans shall, among other things, clearly delineate the architectural theme or motif of the Alterations and shall identify and illustrate all affected boundaries of the Premises and all affected rights-of-way or other areas reserved to County or third

parties which are located thereon. Director shall have sixty (60) days within which to approve or disapprove such submission. Failure of Director to approve such submission in writing within said sixty (60) day period shall be deemed disapproval of said submission. Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. After approval of schematic plans (or subsequent approval of preliminary or final plans) by Director, if changes in such plans are required by conditions of approval of the Alterations imposed by the California Coastal Commission or other governmental agency having jurisdiction thereover, Lessee shall promptly advise Director in writing of such changes and Director shall not disapprove those changes which constitute Approved Governmental Changes.

5.3.2 Preliminary Plans and Specifications. After Director's approval of the materials submitted pursuant to subsection 5.3.1, Lessee shall submit to Director six (6) sets of preliminary plans, outline specifications and construction cost estimates for the Alterations. The preliminary plans, outline specifications and construction cost estimate shall conform to, expand upon and reflect a natural evolution from the descriptions and estimates set forth in the approved schematic plans and narrative. Any difference in the scope, size, configuration, arrangement or motif of the Improvements from those described in the approved schematics and narrative shall be separately identified and described. Director shall have twenty-one (21) days within which to approve or reasonably disapprove such submission, and Director may disapprove said preliminary plans only on the grounds that (i) they do not reflect a natural evolution from the approved schematic plans or that they materially differ from the approved schematic plans and narrative (exclusive of any Approved Governmental Changes), or (ii) that any new, different or additional specifications for the Improvements not expressly set forth in, and approved by Director as a part of, the schematic plans do not meet the requirements for the Improvements set forth in this Article 5. Failure of Director to disapprove said preliminary plans within twenty one (21) days after Director's receipt thereof shall be deemed Director's approval thereof; provided, however, that in the event that the preliminary plans, outline specifications and construction cost estimates contain substantial changes from the approved schematics and narrative (other than Approved Governmental Changes), then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the preliminary plans, outline specifications and construction cost estimates, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

"PURSUANT TO SUBSECTION 5.3.2 OF THE LEASE, IF THESE MATERIALS CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN APPROVED GOVERNMENTAL CHANGES) FROM THE MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING

WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM.”

Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director’s objections to the submission.

5.3.3 Final Plans and Specifications. After approval of the preliminary plans, Lessee shall submit for approval by Director six (6) complete sets of final plans, detailed specifications and a construction cost statement for the Alterations, together with one (1) set of appropriate structural computations, identical to those requested or required by the County Director of Public Works incident to the issuance of building permits under the relevant provisions of the Los Angeles County Building Code. Lessee shall file duplicate copies of the final plans, detailed specifications and construction cost statement required by this Section with the County Director of Public Works, together with the necessary and appropriate applications for building permits. Any difference in the scope, size, configuration, arrangement or motif of the Alterations from those described in the approved preliminary plans and specifications shall be separately identified and described. Director shall have twenty one (21) days within which to approve or disapprove such submission, and Director may disapprove such submission only on the grounds that (i) they do not reflect a natural evolution from or that they materially differ from the approved preliminary plans, outline specifications and construction cost estimates (exclusive of any Approved Governmental Changes), or (ii) that any new, different or additional specifications for the Improvements not expressly set forth in, and approved by Director as a part of, the preliminary plans do not meet the requirements for the Improvements set forth in this Article 5. Failure of Director to disapprove said materials within twenty one (21) days after Director’s receipt shall be deemed Director’s approval thereof; provided, however, that in the event that the final plans, detailed construction specifications and construction cost statement contain substantial changes from the preliminary plans, outline specifications and construction cost estimates (other than Approved Governmental Changes), then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the final plans, detailed construction specifications and construction cost statement, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

“PURSUANT TO SUBSECTION 5.3.3 OF THE LEASE, IF THESE MATERIALS CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN APPROVED GOVERNMENTAL CHANGES) FROM THE MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM.”

Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. Director's approval shall not be unreasonably withheld; provided, however, that it shall be deemed reasonable to disapprove any submission not in substantial conformity with the approved preliminary plans and specifications (exclusive of any Approved Governmental Changes), or which contains new, different or additional specifications for the Improvements which were not expressly set forth in, and approved by Director as a part of, the preliminary plans and which do not meet the requirements for the Improvements set forth in this Article 5. No material modification shall be made to the Alterations described in the approved final plans, specifications and costs (the "Final Alteration Plans and Specifications") without the prior written approval of Director, which shall not be unreasonably withheld.

5.4 Conditions Precedent to the Commencement of Construction. No Development Work or Alterations shall be commenced until each and all of the following conditions have been satisfied:

5.4.1 Permits and Other Approvals. Lessee shall have received and furnished the Department with copies of all permits, licenses and other governmental approvals necessary for commencement of the Development Work or Alterations, as the case may be. All permits, licenses and other governmental approvals necessary for subsequent stages of the Development Work or Alterations shall be furnished to the County prior to commencement of such stages.

5.4.2 Copies of Construction Contracts. Lessee shall have furnished County with copies of any contract(s) entered into between Lessee and any general contractor(s) employed for the purpose of constructing the Development Work or Alterations, as the case may be.

5.4.3 Performance and Payment Bonds. Lessee shall, at its own cost and expense, have furnished County with the following separate corporate surety bonds not less than ten business (10) days prior to the commencement of construction, which bonds must be in form and content reasonably satisfactory to County:

5.4.3.1 A corporate surety performance bond ("Performance Bond") issued by a surety company licensed to transact business as such in the State of California, in an amount not less than one hundred percent (100%) of the amount of all hard construction costs approved by County in conjunction with the approved work. The Performance Bond and its issuer shall be in all material respects reasonably satisfactory to County. It shall name Lessee as principal and said issuer as surety, and County as obligee, assuring full and satisfactory performance by Lessee of Lessee's obligations herein to build, construct and otherwise complete the Improvements described in the approved final plans and specifications.

5.4.3.2 A corporate surety payment bond, issued by a surety company licensed to transact business as such in the State of California, with Lessee as

principal, said company as surety and County as obligee, in a sum equal to one hundred percent (100%) of the total construction cost anticipated to be incurred in connection with the approved work, guaranteeing payment for all materials, provisions, supplies and equipment used in, upon, for or about the performance of said construction work or for labor done thereon of any kind whatsoever and protecting County from any and all liability, loss or damages arising out of or in connection with any failure to make such payment (the "Payment Bond"). The Payment Bond shall be in form and content reasonably satisfactory to County.

In the event that construction is performed by a licensed general contractor on behalf of Lessee, provided that such contractor provides County with a bond or bonds compliant with this subsection, and in all material respects reasonably satisfactory to County and otherwise complying with this subsection, County will accept such contractor's bonds in lieu of the Performance Bond and/or Payment Bond by Lessee required by this subsection 5.4.3. Any bonds provided by Lessee or its general contractor pursuant to this subsection may name the Lessee's lender as an additional obligee.

5.4.4 Alternative Security. In lieu of providing the Payment and Performance Bonds, Lessee may, in its discretion, provide any one or any combination of the following alternative security: (i) a completion guaranty, in form and substance reasonably acceptable to County, made by an individual or entity with a sufficient net worth and liquidity, in the sole discretion of Director, to comply with the terms of such guaranty in view of the potential financial responsibility involved, (ii) a Certificate of Deposit, cash or United States governmental security, (iii) an additional Letter of Credit, or (iv) a Set Aside Letter from Lessee's construction lender. The security described in clauses (ii), (iii) and (iv) above shall be in an amount equal to one hundred percent (100%) of the construction contract price for hard costs, and shall permit County to draw thereon to complete the construction of the Development Work or Alterations if same have not been completed by Lessee or if a material Event of Default has occurred under this Lease. In addition, Director also shall have the authority to accept in lieu of the Payment and Performance Bonds, so-called "Subguard" insurance in such amount, on such terms and issued by such carrier as approved by Director, in combination with such other security, such as a completion guaranty, as acceptable to Director. Any alternative security provided by Lessee pursuant to this subsection may name County and Lessee's construction lender as co-beneficiaries. A condition precedent to Lessee's right to provide the alternate security described in this subsection 5.4.4 shall be delivery by Lessee to County of an opinion of counsel from a firm and in a form acceptable to County to the effect that the construction work does not constitute a public work of improvement requiring the delivery of the bonds described in subsection 5.4.3 above. Director shall have the authority, in his reasonable discretion, to modify, waive or reduce the amount of any bonds or alternate security required hereunder.

5.4.5 Evidence of Financing. Lessee shall have provided evidence satisfactory to County of its having sufficient financial resources, as determined by Director, to complete the Development Work or Alterations, as applicable. Lessee shall furnish Director with copies of all final notes, guarantees, partnership, shareholder or

limited liability company agreements, construction loan and/or permanent loan commitments, documents evidencing equity contributions, documents creating and/or perfecting security interests, and all documents and exhibits referred to in any of the foregoing, together with any and all recorded documents affecting an interest in the Premises, within seven (7) days after such document or instrument becomes effective.

5.4.6 Work Schedule. With respect to the Development Work, Lessee shall have provided County with a construction schedule which will result in the completion of the Development Work on or before the Required Construction Completion Date, as such dates may be extended as provided in this Article 5.

5.5 County Cooperation. In its proprietary capacity, the Department shall cooperate with and assist Lessee, to the extent reasonably requested by Lessee, in Lessee's efforts to obtain the appropriate governmental approvals, consents, permits or variances which may be required in connection with the performance by Lessee of the Development Work described in Section 5.1 above and the Subsequent Renovations described in Section 5.13 below, as applicable. Such cooperative efforts may include the Department's joinder in any application for such approval, consent, permit or variance, where joinder therein by the Department is required or helpful; provided, however, that Lessee shall reimburse County for the Actual Cost incurred by the Department in connection with such joinder or cooperative efforts. Notwithstanding the foregoing, Lessee and County acknowledge that the approvals given by County under this Lease are approvals pursuant to its authority under Section 25536 or 25907 of the California Government Code; that approvals given under this Lease in no way release Lessee from obtaining, at Lessee's expense, all permits, licenses and other approvals required by law for the construction of Improvements on the Premises and operation and other use of such Improvements on the Premises; and that the Department's duty to cooperate and County's approvals under this Lease do not in any way modify or limit the exercise of County's governmental functions or decisions as distinct from its proprietary functions pursuant to this Lease.

5.6 Delays in Completion of Development Work. Once construction of the Development Work has been Substantially Commenced, Lessee shall thereafter diligently pursue the completion of such construction by the Required Construction Completion Date. During this period, delays due to fire, earthquake, flood, tornado or other act of God, civil disturbance, war, organized labor dispute, freight embargo or other unforeseeable event reasonably beyond the control of Lessee, or a hidden condition, including without limitation environmental contamination, relating to the foundation, substructure or subsurface of the Premises which was not known to Lessee as of the commencement of such construction activity ("Force Majeure") shall extend the Required Construction Completion Date by the length of time of such delay, although Lessee shall to the extent possible commence and complete the portions, if any, of the Improvements not impacted by such delay within the timeframe set forth in this Lease. For purposes of this Section 5.6, "Force Majeure" shall also include delays in the completion of construction caused (i) by a third party restraining order or injunction (filed by a plaintiff other than County or the California Coastal Commission) obtained after the commencement of construction, subject to Lessee's obligation to diligently pursue the removal or appeal of any such restraining order or injunction, or (ii) by Unreasonable County Activity after the commencement of construction, subject to the procedures set forth in subsection 5.7.2 below for

establishing Unreasonable County Activity. Lessee and Director shall discuss and attempt to agree on the length of time of any entitled delay due to Force Majeure pursuant to this Section 5.6. If they are unable to agree within thirty (30) days after the event or occurrence giving rise to Lessee's claim to an entitlement to a delay under this Section 5.6, the matter shall be arbitrated as set forth in Article 16.

5.7 Extension of Dates. Other than as set forth in Section 5.6 above, the Required Construction Commencement Date and Required Construction Completion Date shall be extended only for the reasons set forth in this Section.

5.7.1 Injunction by Third Party, Nonregulatory Body. The Required Construction Commencement Date shall be extended if the commencement of construction of the Development Work has been enjoined or restrained by a court action commenced by a plaintiff other than County or the California Coastal Commission acting in their governmental capacity. In such case, the Required Construction Commencement Date shall be extended until forty-five (45) days after the restraining order and/or injunction is removed; provided that in no event shall the Required Construction Commencement Date be extended beyond the second (2nd) anniversary of the Effective Date. Whether or not a named party in such action, Lessee shall diligently pursue the removal of any restraining order or injunction so issued and shall exhaust all commercially reasonable efforts to appeal such restraining order or injunction. If the Required Construction Commencement Date is extended pursuant to this subsection 5.7.1, then each of the Required Construction Completion Date shall be extended by the same period of the extension of the Required Construction Commencement Date.

5.7.2 Delay Caused by Unreasonable County Acts. The Required Construction Commencement Date shall be extended if Lessee has been delayed in the obtaining of any permits or other approvals necessary for the commencement of construction due to Unreasonable County Activity. For the purposes of this Lease, the following shall be deemed to be "Unreasonable County Activity": (i) County's failure to provide required joinder, if any, in Lessee's proposals for the Improvements described in the Final Development Work Plans and Specifications before any governmental agency; or (ii) County's failure to take such other actions in its proprietary capacity reasonably requested by Lessee, at no cost or expense to County, which are necessary for Lessee to proceed with the permit/approval process or County's having taken such actions without Lessee's consent which adversely affected Lessee's rights and obligations hereunder, which were unreasonable and which actually delayed the Substantial Commencement of Construction and which action or inaction occurred after the date hereof; or (iii) County's failure to comply with the time periods imposed upon County under this Article 5, except in the case where a failure of County to notify Lessee of its approval or disapproval of a matter constitutes County's deemed approval of such matter, or constitutes County's deemed disapproval of such matter and County's disapproval of such matter is authorized under the circumstances. Nothing contained in this Section or this Lease shall be construed as obliging County to support proposals, issue permits, or otherwise act in a manner inconsistent with County's actions under its regulatory powers. It shall not be Unreasonable County Activity if County fails to accelerate the County's customary

regulatory permit/approval process. An extension shall be available under this subsection only if all of the following procedures have been followed:

(a) Within a reasonable time under the circumstances, Lessee must notify Director in writing of the specific conduct comprising the alleged Unreasonable County Activity, and the next opportunity, if any, for County to rectify such alleged conduct. If Lessee fails to notify Director in writing as specified in the immediately preceding sentence within five (5) days following Lessee's discovery of the alleged Unreasonable County Activity, then notwithstanding any contrary provision of this subsection 5.7.2, in no event shall Lessee be entitled to an extension for any period of the delay occurring prior to the date of Lessee's notice described in this paragraph (a).

(b) Within seven (7) days following receipt of the notice alleging Unreasonable County Activity, Director shall meet with Lessee or its authorized representative in order to determine whether Unreasonable County Activity has occurred and, if so, how such Unreasonable County Activity can be rectified and the appropriate length of time of any extension pursuant to this subsection. If Director determines that Unreasonable County Activity has occurred and that County can and will take rectifying action, then the extension time shall equal the amount of actual delay directly caused by the Unreasonable County Activity. If Director determines that Unreasonable County Activity has occurred, but that County cannot take rectifying action (or if the proposed rectifying action will not produce the results desired by Lessee), then Lessee and Director shall establish the length of time of any extension based on the actual delay of the permit/approval process likely to be caused by the Unreasonable County Activity.

(c) If, within fourteen (14) days following receipt of notice alleging Unreasonable County Activity, Director and Lessee have not agreed in writing as to whether or not an extension is appropriate, or if appropriate, the length of any such extension, then the matter shall be referred to binding arbitration in accordance with Article 16 of this Lease. The arbitrator shall be instructed that, if Unreasonable County Activity has occurred, then the standards set forth in subsection (b) above will be applied to determine the length of any extension.

The period of any extension pursuant to this subsection shall be equal to the period of the delay caused by the Unreasonable County Activity. If the Required Construction Commencement Date is extended pursuant to this subsection 5.7.2, then the Required Construction Completion Date shall be extended by the same period of the extension of the Required Construction Commencement Date.

5.7.3 Delay in Obtaining Permits or Approvals. Except as otherwise provided in subsection 5.7.4, if as of the Required Construction Commencement Date (as it may be extended as provided above), Lessee has not obtained a permit or other approval necessary to the commencement of construction from a regulatory body or agency other than County, or such regulatory body has obtained an injunction preventing the commencement of construction, and such permits, approvals or the removal of such injunction constitute(s) the major remaining impediment to the commencement of construction, then the Required Construction Commencement Date shall be extended to

forty-five (45) days after the date upon which such permit is issued or injunction dissolved, provided that (1) Lessee has exhausted and continues to exhaust all commercially reasonable efforts to obtain such approval or permit or dissolution of such injunction, and (2) such extended Required Construction Commencement Date shall not be later than the second (2nd) anniversary of the Effective Date. If the Required Construction Commencement Date is so extended, then the Required Construction Completion Date shall be extended by the same period of the extension of the Required Construction Commencement Date. The extension provided by this subsection shall be the only extension available in a situation where such permits and/or approvals have not been issued or such regulatory body or agency has obtained such an injunction.

5.7.4 Limitation of Extensions. Notwithstanding the foregoing, Lessee shall not be entitled to any extension unless Lessee had actually been pursuing the process of obtaining all permits, approvals, financing and other items necessary for the Substantial Commencement of Construction with due diligence, and unless all Improvements specified and plans and specifications submitted by Lessee in connection with any such permit, approval, financing or other item substantially conformed to (i) the Final Development Work Plans and Specifications, and (ii) the land use laws and regulations and the Local Coastal Plan (except for any required density transfer between Development Zones) existing as of the date of execution of this Lease by Lessee.

5.7.5 Obligation to Pay Rent. Notwithstanding anything to the contrary contained in this Lease, no extension, relaxation or modification of the requirement to Substantially Commence construction of the Development Work by the Required Construction Commencement Date and complete such Improvements by the applicable Required Construction Completion Date, shall relieve Lessee of its obligation to pay County the Annual Minimum Rent, Percentage Rent and other amounts set forth in Article 4 of this Lease.

5.8 Manner of Construction.

5.8.1 General Construction Standards. All construction, alteration, modification or repairs permitted herein shall be accomplished by Lessee with due diligence. Lessee shall take all reasonable steps to minimize any damage, disruption or inconvenience caused by such work and make adequate provisions for the safety and convenience of all persons affected thereby. Lessee shall repair, at its own cost and expense, any and all damage caused by such work, and shall restore the area upon which such work is performed to a condition which is at least equal to or better than the condition which existed before such work was commenced. Additionally, Lessee shall pay or cause to be paid all costs and expenses associated therewith and shall indemnify, defend and hold County harmless from and against all damages, costs, expenses, losses or claims arising out of or in connection with the performance of such work, except to the extent that such damages, costs, expenses, losses or claims are caused by County. Dust, noise and other effects of such work shall be controlled using accepted measures customarily utilized in order to control such deleterious effects associated with construction projects in well populated and developed areas of southern California.

5.8.2 Utility Work. Any work performed by or on behalf of Lessee or any occupant of the Premises to connect to, repair, relocate, maintain or install any storm drain, sanitary sewer, water line, gas line, telephone conduit, or any other utility service shall be performed in a manner that minimizes interference with the provision of such services to the Premises and other persons.

5.8.3 Construction Safeguards. Lessee shall erect and properly maintain at all times, as required by the conditions and the progress of work performed by or on behalf of Lessee, all necessary safeguards for the protection of workers and the public.

5.8.4 Compliance with Construction Documents and Laws; Issuance of Permits. All Development Work or Alterations on the Premises shall be completed in substantial compliance with any construction documents approved by County and also in compliance with all applicable local, state and federal laws and regulations. Lessee shall have the sole responsibility for obtaining all necessary permits and shall make application for such permits directly to the person or governmental agency having jurisdiction thereover.

5.8.5 Notice to Director; Damage to County Improvements. Lessee further agrees to keep Director apprised of the progress of the work to the end that Director may, upon at least one (1) Business Day advance notice, timely inspect the Premises to assure proper safeguarding of any County-owned improvements existing on or around the Premises, including but not limited to seawalls, underground conduits and utility lines. If any such County-owned improvement is damaged as a result of construction activity by Lessee or its contractors, Lessee agrees to repair such damage immediately at no cost or expense to County. Lessee shall add the work necessary to repair such damage to the construction schedule for the Development Work (or other Alteration work, as applicable), and shall complete such repair work in accordance with such schedule; provided that if such damage to County-owned improvements creates a threat to public health and safety or materially adversely affects the condition, appearance or operation of any County-owned improvement or of any other property, then Lessee shall promptly commence the completion of such repair work and complete such repair work as soon as reasonably possible thereafter. In the event that Lessee fails to effectuate such repair in accordance with the foregoing requirements, County may upon written notice to Lessee enter upon the Premises to make such repairs, the Actual Cost of which shall be paid by Lessee within five (5) business days after demand by County. This subsection 5.8.5 shall not be deemed to impose upon Lessee any obligation to repair damage to County-owned improvements existing on or around the Premises if such damage was not incurred as a result of Lessee's construction activities.

5.8.6 Rights of Access. Representatives of the Department of Beaches and Harbors of the County shall, upon reasonable notice and at reasonable times during normal business hours, have the right of reasonable access to the Premises and the Improvements thereon without charges or fees, but at no cost or expense to Lessee, for the purpose of ascertaining compliance with the terms and conditions of this Lease, including but not limited to the inspection of the construction work being performed. Such access shall be reasonably calculated to minimize interference with Lessee's

construction and/or operations, and County shall comply with industry safety standards in connection with any such access. Lessee shall have the right to have a representative present to accompany the representatives of the Department of Beaches and Harbors of the County in connection with such access. In the event of any emergency which is life-threatening or which involves the threat of potential substantial damage, County shall have the right to enter the Premises immediately and without notice to or accompaniment by Lessee.

5.8.7 Notice of Completion. Upon completion of the Development Work or any Alterations (including the Subsequent Renovation described in Section 5.13), Lessee shall file or cause to be filed in the Official Records of the County of Los Angeles a Notice of Completion (the "Notice of Completion") with respect to the Improvements and Lessee shall deliver to County, at no cost to County, two (2) sets of reproducible final as-built plans and specifications of the relevant Improvements.

5.8.8 Final Completion Certificate. Promptly after completion of the Development Work or the Subsequent Renovations described in Section 5.13, upon Lessee's request, County shall execute and deliver to Lessee a final completion certificate (the "Final Completion Certificate") as to the work which is the subject thereof, which shall conclusively evidence the completion of such work by Lessee in accordance with the terms of this Lease.

5.9 Use of Plans. Contracts between Lessee and any architect, design professional or licensed contractor in connection with Development Work or Alterations shall provide, in form and content reasonably satisfactory to County, for the assignment thereof to County (and Lessee's Encumbrance Holder(s) if required by Lessee's Encumbrance Holder(s)) as security to County for Lessee's performance hereunder, and County shall be furnished with a copy of any such contract, together with the further agreement of the parties thereto, that if this Lease is terminated by County due to Lessee's default, County (or if County enters into a new lease with Lessee's Encumbrance Holder pursuant to Article 12, then Lessee's Encumbrance Holder) may, at its election, use any plans and specifications created by such architect, design professional or contractor in connection with the contract, upon the payment of any sums due to any party thereto. County's right to elect to use plans and specifications as described above shall not include the unauthorized right to use any trade marks, trade names or logos of Lessee or any such architect, design professional or contractor. The assignment to County and Lessee's Encumbrance Holder(s) described in this Section 5.9 shall be effective until the Final Completion Certificate for the subject work is issued, and shall be subordinate to the security interest, if any, of Lessee's construction lender in the assigned contract, which subordination shall be in a form reasonably acceptable to Lessee's construction lender.

5.10 Where Director Approval Not Required. Notwithstanding the foregoing, and notwithstanding anything to the contrary in this Article 5, Lessee shall not be required to seek or obtain the approvals of Director described in this Article 5 (including those set forth in Section 5.3) for Alterations where all of the following conditions are satisfied: (i) the total cost of the project is less than One Hundred Thousand Dollars (\$100,000), adjusted annually to reflect the increase or decrease in the ENR Index from and after the Effective Date (provided, however, that in no event shall such adjustment result in a reduction of the threshold for Director approval to

less than One Hundred Thousand Dollars (\$100,000); (ii) none of the proposed construction activity is structural in nature; and, (iii) none of the proposed construction, additions, modifications or changes affect or are visible from the exterior of the Premises; provided, however, that whenever Lessee makes or constructs or permits any improvements in or to the Premises, Lessee shall (a) give written notice thereof (including a description of the work to be done and the permits obtained for such work), and (b) furnish a copy of "as-built" plans upon completion of such work to County.

5.11 County's Inducement. Lessee acknowledges that the principal inducement to County to enter into this Lease is the timely improvement of the Premises by Lessee with the Development Work described in Section 5.1 above. Accordingly, Lessee expressly acknowledges that any failure by Lessee to perform its obligations under such Section 5.1 in all material respects by the dates set forth herein (as such dates may be extended pursuant to Section 5.6 or 5.7) shall constitute a material breach of and default under the Lease by Lessee which entitles County to exercise any and all rights and remedies which County may have as a result thereof, under this Lease, at law and/or in equity.

5.12 Protection of County. Nothing in this Lease shall be construed as constituting the consent of County, express or implied, to the performance of any labor or the furnishing of any materials or any specific Improvements, alterations or repairs to the Premises of any part thereof by any contractor, subcontractor, laborer or materialman, nor as giving Lessee or any other person any right, power or authority to act as agent of or to contract for, or permit the rendering of, any services, or the furnishing of any materials, in any such manner as would give rise to the filing of mechanics' liens or other claims against the County's interest in the Premises or County.

5.12.1 Posting Notices. County shall have the right at all reasonable times and places to post and, as appropriate, keep posted, on the Premises any notices which County may deem necessary for the protection of County's interest in the Premises from mechanics' liens or other claims. Lessee shall give County at least ten (10) business days prior written notice of the commencement of any work to be done on the Premises under this Article 5, in order to enable County timely to post such notices.

5.12.2 Prompt Payment. Lessee shall make, or cause to be made, prompt payment of all monies due and owing to all persons doing any work or furnishing any materials or supplies to Lessee or any of its contractors or subcontractors in connection with the Development Work or any Alterations or other Improvements on the Premises. Lessee shall have the right to contest any such amount; provided, however, the entire expense of any such contest (including interest and penalties which may accrue) shall be the responsibility of Lessee.

5.12.3 Liens; Indemnity. Subject to Lessee's rights to contest the same prior to payment, Lessee shall keep the Premises and any Improvements thereon free and clear of all mechanics' liens and other liens arising out of or in connection with work done for Lessee and/or any parties claiming through Lessee. Lessee agrees to and shall indemnify, defend and hold County harmless from and against any claim, liability, loss, damages, costs, expenses, attorneys' fees incurred in defending and all other expenses on account

of claims of lien(s) of laborers or materialmen or others for work performed or materials or supplies furnished to Lessee or persons claiming under it.

In the event any lien is recorded, Lessee shall, within five (5) business days after demand, furnish any one of the following, as determined by Lessee: (i) the bond described in California Civil Code Section 3143, or successor statute, which results in the removal of such lien from the Premises, (ii) a Set Aside Letter from Lessee's construction lender, in form and substance reasonably satisfactory to County, setting aside sufficient funds from Lessee's construction loan for the satisfaction of such lien, or (iii) a title insurance policy or endorsement insuring County against any loss or liability arising out of such lien, together with any other evidence requested by County to evidence that such claim will be paid, removed or discharged as a claim against the Premises and/or County.

5.13 Renovation Fund/Subsequent Renovations. During the period from the eleventh (11th) Lease Year following the Effective Date through the fortieth (40th) Lease Year following the Effective Date, Lessee shall establish and maintain a reserve fund (the "Renovation Fund") in accordance with the provisions of this Section 5.13 for the cost of capital renovations to the Improvements as described in this Section 5.13. Lessee and County agree and acknowledge that the purpose of the Renovation Fund shall be to provide funds for a renovation of the common areas and exterior of the Improvements on two separate occasions, once during the period from the nineteenth (19th) through twenty-second (22nd) Lease Years following the Effective Date and again during the period from the thirty-ninth (39th) through forty-second (42nd) Lease Years following the Effective Date (each, a "Subsequent Renovation"). Each of the Subsequent Renovations shall proceed in accordance with (i) a schedule that provides for the completion of the Subsequent Renovation prior to the completion of the twenty-second (22nd) or forty-second (42nd) Lease Year following the Effective Date, as applicable, and (ii) a renovation plan approved by the Director that provides for the revitalization and upgrade of the common areas and exterior of the Improvements to a condition and appearance at least equal to that of other first class residential apartment projects then recently constructed or being constructed in Marina del Rey.

Prior to the commencement of the construction work for a Subsequent Renovation, Lessee shall submit to Director a renovation plan for such Subsequent Renovation, which renovation plan ("Subsequent Renovation Plan") shall (a) describe the proposed renovation work in detail reasonably acceptable to Director, (b) include a design, governmental approvals and construction schedule for the work, (c) include a budget for all work costs, and (d) address such other matters as Director reasonably requests. The Subsequent Renovation Plan shall be submitted by Lessee to County not later than such date (taking into consideration the approval periods described in this Section 5.13 and Section 5.3 above, the estimated time required to obtain all necessary governmental approval and permits, and the estimated time required to complete the work) as will permit the completion of the work by the required completion date under this Section 5.13. Director shall have sixty (60) days within which to reasonably approve or disapprove the Subsequent Renovation Plan, or to approve the Subsequent Renovation Plan subject to conditions imposed by Director in its reasonable judgment. Failure of Director to notify Lessee in writing of its approval or disapproval of the Subsequent Renovation Plan shall be deemed Director's disapproval of the Subsequent Renovation Plan. Upon Director's approval of the Subsequent Renovation Plan, Lessee shall proceed to satisfy all conditions in this Article 5

to the commencement of the Subsequent Renovation and to commence and complete the Subsequent Renovation in accordance with the Subsequent Renovation Plan and the terms and conditions of this Article 5. Director's approval of the actual plans and specifications for the Subsequent Renovations shall proceed in accordance with the protocol for plan submission and approval set forth in Section 5.3 of this Lease, except that the schematic plan submittal requirements set forth in subsection 5.3.1 shall not be applicable to the extent that the Subsequent Renovation Plan approved by Director satisfies the requirements of such subsection 5.3.1. Lessee's failure to comply with the schedule approved by Director as part of a Subsequent Renovation Plan and/or to meet the completion deadline pertaining to the Subsequent Renovation set forth in this Section 5.13 shall, if not cured within the cure period set forth in subsection 13.1.2, constitute an Event of Default. Any dispute as to whether Director has failed to exercise reasonable judgment in the approval or disapproval of the Subsequent Renovation Plan shall be submitted to arbitration pursuant to Article 16 of this Lease. If the arbitrator determines that Director failed to exercise reasonable judgment in the approval or disapproval of the Subsequent Renovation Plan and as a result thereof Lessee is delayed in the completion of the Subsequent Renovation by the required completion date set forth in the first paragraph of this Section 5.13, then the required date for the completion of such Subsequent Renovation shall be extended by the duration of the delay caused by Director's failure to reasonably approve the Subsequent Renovation Plan, provided that the required date for the completion of the Subsequent Renovation shall not be extended beyond the date reasonably required Lessee for the completion by Lessee of the Subsequent Renovation.

The Renovation Fund shall be an account established with a reputable financial institution (including Lessee's Encumbrance Holder) acceptable to Director into which deposits shall be made by Lessee (and/or into which Lessee's Encumbrance Holder shall provide funds) pursuant to this Section 5.13. The amounts to be added to the Renovation Fund shall be inclusive of amounts required to be deposited with and held by an Encumbrance Holder, provided that the Encumbrance Holder acknowledges that such amounts are subject to the requirements and shall be made available for the purposes of this Section 5.13. On or before the fifteenth (15th) day of each calendar month commencing with the month of February during the eleventh (11th) Lease Year following the Effective Date and continuing through the month of January of the forty-first (41st) Lease Year following the Effective Date, Lessee shall make a deposit to the Renovation Fund on a monthly basis in the amount of one percent (1%) of Gross Receipts received during the preceding month. All interest and earnings on the Renovation Fund shall be added to the Renovation Fund, but shall not be treated as a credit against, or otherwise reduce, the deposits required to be made by Lessee to the Renovation Fund. Disbursements shall be made from the Renovation Fund only for costs which have been approved by Director and which satisfy the requirements of this Section 5.13. Prior to the disbursement of any amounts from the Renovation Fund, Lessee shall furnish to Director applicable invoices, evidence of payment and other back-up materials reasonably acceptable to Director concerning the use of amounts from the Renovation Fund. Director shall have no obligation to approve the disbursement of amounts from the Renovation Fund unless and until Director has approved Lessee's Subsequent Renovation Plan for such Subsequent Renovation and Lessee has furnished to Director evidence reasonably satisfactory to Director that Lessee has sufficient financial resources to pay for all costs of such Subsequent Renovation. All remaining amounts in the Renovation Fund shall be used for the costs of the Subsequent Renovation Plan to be implemented by Lessee by the end of the forty-second (42nd) Lease Year following the Effective

Date, and Lessee shall not be required to make further contributions to the Renovation Fund after the month of January of the forty-first (41st) Lease Year following the Effective Date.

In lieu of the periodic Renovation Fund contributions described in this Section 5.13, Lessee agrees that Director shall have the authority, in the exercise of the Director's discretion, to consider the delivery by Lessee of substitute security acceptable to Director (e.g., a letter of credit or bonding mechanism) to secure the performance by Lessee of the Subsequent Renovations described above in this Section 5.13. Such substitute security shall be in not less than the same amounts and delivered not later than the same times, as amounts that would have otherwise been required to be delivered into the Renovation Fund.

5.14 Capital Reserve Fund. In addition to the Renovation Fund described in Section 5.13 above, during the period commencing with the eleventh (11th) Lease Year after the Effective Date and continuing through the end of the Term, Lessee shall establish and maintain a reserve fund (the "Capital Reserve Fund") in accordance with the provisions of this Section 5.14 for the cost of Permitted Capital Expenditures (as defined below) for the Premises. Lessee and County agree and acknowledge that the purpose of the Capital Reserve Fund shall be to provide funds for the costs of additions, replacements, renovations or significant upgrades of or to the Improvements on the Premises, including building exteriors and major building systems (such as HVAC, mechanical, electrical, plumbing, vertical transportation, security, communications, structural or roof) that significantly increase the capacity, efficiency, useful life or economy of operation of the Improvements or their major systems, after the completion of the Development Work ("Permitted Capital Expenditures"). Notwithstanding any contrary provision hereof, the Capital Reserve Fund shall not be used to fund any portion of the cost of the Subsequent Renovations described in Section 5.13 above. In addition, Permitted Capital Expenditures shall not include the cost of periodic, recurring or ordinary expenditures, repairs or replacements that keep the Improvements in a good, operating condition, all of which costs shall be separately funded by Lessee. By way of example, set forth on Exhibit F attached to this Lease are categories of Permitted Capital Expenditures that qualify as proper costs to be funded from the Capital Reserve Fund. All purposes and costs for which Lessee desires to utilize amounts from the Capital Reserve Fund shall be subject to Director's approval, which approval shall not be unreasonably withheld.

The Capital Reserve Fund shall be an account established with a reputable financial institution (including Lessee's Encumbrance Holder) acceptable to Director into which deposits shall be made by Lessee (and/or into which Lessee's Encumbrance Holder shall provide funds) pursuant to this Section 5.14. The amounts to be added to the Capital Reserve Fund shall be inclusive of amounts required to be deposited with and held by an Encumbrance Holder, provided that the Encumbrance Holder acknowledges that such amounts are subject to the requirements and shall be made available for the purposes of this Section 5.14.

On or before the fifteenth (15th) day of each calendar month during the Term commencing with the month of February in the eleventh (11th) Lease Year following the Effective Date and continuing during the remainder of the Term, Lessee shall make a deposit to the Capital Reserve Fund on a monthly basis in the amount of one percent (1%) of Gross Receipts received during the preceding month. All interest and earnings on the Capital Reserve Fund shall be added to the Capital Reserve Fund, but shall not be treated as a credit against the

Capital Reserve Fund deposits required to be made by Lessee pursuant to this Section 5.14. Disbursements shall be made from the Capital Reserve Fund only for costs which have been approved by Director and which satisfy the requirements of this Section 5.14. For the purpose of obtaining Director's prior approval of any Capital Reserve Fund disbursements, Lessee shall submit to Director on an annual basis on or before the commencement of the eleventh (11th) Lease Year after the Effective Date and each anniversary thereafter a capital expenditure plan for the upcoming year which details the amount and purpose of anticipated Capital Reserve Fund expenditures for which Lessee requests Director's approval, which approval shall not be unreasonably withheld. Any anticipated expenditure set forth in such capital expenditure plan which is approved by Director as an acceptable Capital Reserve Fund disbursement shall be considered pre-approved by Director (but only up to the amount of such expenditure set forth in the annual capital expenditure plan) for the duration of the upcoming year. Lessee shall have the right during the course of each year to submit to Director for Director's approval revisions to the then current capital expenditure plan in effect for such year or individual expenditures not noted on the previously submitted capital expenditure plan. Prior to the disbursement of any amounts from the Capital Reserve Fund, Lessee shall furnish to Director applicable invoices, evidence of payment and other back-up materials reasonably acceptable to Director concerning the use of amounts from the Capital Reserve Fund. As long as Lessee is not then in default under the Lease, including without limitation, its obligations under this Section 5.14, if, and at such time during the last ten (10) years of the Term as, County notifies Lessee that County shall require the removal of Improvements at the end of the Term pursuant to subsection 2.5.2, Lessee shall have the right to use all remaining amounts in the Capital Reserve Fund for Improvement removal fund purposes under such subsection 2.5.2.

5.15 Parking Contribution Reconciliation. Pursuant to the Option Agreement Lessee has deposited with County the "Parking Facility Construction Cost Deposit" as Lessee's portion of the estimated "Parking Facility Construction Costs", to construct the "Parking Facility" upon or in which the "Replacement Parking Obligation" (all as defined in the Option), shall be satisfied. Not later than ninety (90) days following completion of the Parking Facility and receipt by County of a Certificate of Occupancy for the Parking Facility (or, if no Certificate of Occupancy is required, then upon the opening of the Parking Facility to the general public), County shall provide to Lessee a final "Parking Facility Construction Cost Report" reasonably satisfactory to Lessee, which shall include, without limitation, detail of all hard and soft costs for the construction of the Parking Facility (along with copies of all contracts, invoices, evidences of payment and all other background material reasonably requested by Lessee) compared with the "Parking Facility Construction Budget", as defined in the Option, approved by Lessee. Any developer fees and construction management fees shall not exceed prevailing market rates for such services. No construction financing interest shall be included in the Parking Facility Construction Costs except to the extent of interest actually incurred if the construction of the Parking Facility is financed, provided that the interest rate shall not exceed the prevailing interest rate charged by institutional lenders on similar construction loans to financially creditworthy borrowers at the time of the acquisition of construction financing for the Parking Facility. No penalty charges or any charges incurred by County as a result of its mismanagement or negligence in the construction of the Parking Facility shall be included. The Parking Facility Construction Cost Report shall also include the calculation of the proportionate share of the Parking Facility Construction Costs to be paid by Lessee (the "Lessee Parking Facility Construction Cost Share").

If the Lessee Parking Facility Construction Cost Share is less than the Parking Facility Construction Cost Deposit, County shall immediately remit to Lessee the difference together with the Parking Facility Construction Cost Report. If the Lessee Parking Facility Construction Cost Share is greater than the Parking Facility Construction Cost Deposit, Lessee shall remit to County the difference within sixty (60) days following receipt of the Parking Facility Construction Cost Report.

Lessee shall have the right to conduct an audit following delivery of the Parking Facility Construction Cost Report; provided, however, that the conduct of such audit shall not delay any payment required to be made by Lessee to County in the immediately preceding paragraph. County shall cooperate with the audit and provide the auditor all information reasonably requested.

If there is any dispute concerning the Parking Facility Construction Costs either before or following the audit, County and Lessee shall meet at their mutual convenience in order to resolve the dispute. If such meeting fails to resolve the dispute it shall be submitted to arbitration pursuant to Article 16 of this Lease. If following completion of the audit (or any arbitration) it is determined that an overpayment was made by Lessee, then County shall return the overpayment to Lessee within thirty (30) days following the determination of the amount of the overpayment.

6. CONDEMNATION.

6.1 Definitions.

6.1.1 Condemnation. "Condemnation" means (1) the exercise by any governmental entity of the power of eminent domain, whether by legal proceedings or otherwise, and (2) a voluntary sale or transfer to any Condemnor (as hereafter defined), either under threat of Condemnation or while legal proceedings for Condemnation are pending.

6.1.2 Date of Taking. "Date of Taking" means the date the Condemnor has the right to possession of the Premises being condemned.

6.1.3 Award. "Award" means all compensation, sums or anything of value awarded, paid or received from a total or partial Condemnation.

6.1.4 Condemnor. "Condemnor" means any public or quasi-public authority, or private corporation or individual, having the power of eminent domain.

6.2 Parties' Rights and Obligations to be Governed by Lease. If, during the Term of this Lease, there is any taking of all or any part of the Premises, any Improvements on the Premises or any interest in this Lease by Condemnation, the rights and obligations of the parties shall be determined pursuant to the provisions of this Article 6.

6.3 Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the Date of Taking.

6.4 Effect of Partial Taking. If a portion of the Premises or the Improvements thereon are taken by Condemnation, this Lease shall remain in effect, except that Lessee may elect to terminate this Lease if the remaining portion of the Premises are rendered unsuitable (as defined herein) for Lessee's continued use for the purposes contemplated by this Lease. The remaining portion of the Premises shall be deemed unsuitable for Lessee's continued use if, following a reasonable amount of reconstruction (to the extent that funds therefor are available from the anticipated Award), Lessee's business on the Premises could not be operated at an economically feasible level. Lessee must exercise its right to terminate by giving County written notice of its election within ninety (90) days after the nature and extent of the taking and the probable amount of compensation have been determined. Such notice shall also specify the date of termination, which shall not be prior to the Date of Taking. Failure to properly exercise the election provided for in this Section 6.4 will result in this Lease's continuing in full force and effect, except that Annual Minimum Rent shall be abated pursuant to Section 6.5, below.

In the event that Lessee does not elect to terminate this Lease as provided above, then Lessee, whether or not the Awards or payments, if any, on account of such taking shall be sufficient for the purpose, shall, at its sole cost and expense, within a reasonable period of time, commence and complete restoration of the remainder of the Premises as nearly as possible to its value, condition and character immediately prior to such taking, taking into account, however, any necessary reduction in size or other change resulting from the taking; provided, however, that in case of a taking for temporary use, Lessee shall not be required to effect restoration until such taking is terminated.

6.5 Effect of Partial Taking on Rent. If any portion of the Premises is taken by Condemnation and this Lease remains in full force and effect as to the portion of the Premises not so taken (a "Partial Taking"), the Annual Minimum Rent shall be reduced as of the date of the Partial Taking to an amount equal to the Annual Minimum Rent multiplied by the ratio of the fair market value of the portion of the Premises not so taken to the fair market value of the entire Premises immediately prior to the Partial Taking, but without regard to any diminution in value resulting from the imminent taking. Upon the next Annual Minimum Rent Adjustment Date, as described in Section 4.2.3 above, if any, for the purposes of adjusting the Annual Minimum Rent, all Annual Minimum Rent and Percentage Rent paid by Lessee to County prior to the date of the Partial Taking shall be adjusted, for the purposes of this calculation only, to the proportion that the fair market value of the portion of the Premises which remains after the taking bears to the fair market value of the entire Premises immediately prior to the taking. If the parties cannot agree upon the appropriate Annual Minimum Rent, the matter shall be settled through arbitration in the manner set forth in Article 16 hereof. Any determinations of fair market value made pursuant to this Section 6.5 in connection with any arbitration proceeding shall be predicated upon the "income approach" or "income capitalization approach" to property valuation, as defined in The Dictionary of Real Estate Appraisal and/or The Appraisal of Real Estate, published by the Appraisal Institute or any successor organization (the "Income Approach"). All other obligations of Lessee under this Lease, including but not limited to the obligation to pay Percentage Rent, shall remain in full force and effect.

6.6 Waiver of Code of Civil Procedure Section 1265.130. Each party waives the provisions of Code of Civil Procedure Section 1265.130 allowing either party to petition the Superior Court to terminate this Lease in the event of a Partial Taking of the Premises.

6.7 Payment of Award. Awards and other payments on account of a taking, less costs, fees and expenses incurred in the collection thereof ("Net Awards and Payments"), shall be applied as follows:

6.7.1 Partial Taking Without Termination. Net Awards and Payments received on account of a Taking other than a total Taking or a Partial Taking which results in termination hereof or a taking for temporary use shall be held by County and shall be paid out to Lessee or Lessee's designee(s), in progress payments, to pay the cost of restoration of the Premises. The balance, if any, shall be divided between County and Lessee pro rata, as nearly as practicable, based upon (1) the then value of County's interest in the Premises (including its interest hereunder) and (2) the then value of Lessee's interest in the remainder of the Term of this Lease including bonus value (for such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4). Any determinations of fair market value made pursuant to this Section 6.5 shall be predicated upon the Income Approach. Notwithstanding the foregoing, if County is the condemning authority and the taking pertains only to Lessee's interest, then Lessee shall be entitled to the entire amount of the Net Awards and Payments.

In case of a taking other than a total taking or a taking for temporary use, Lessee shall furnish to County evidence satisfactory to County of the total cost of the restoration required by Section 6.4.

6.7.2 Taking For Temporary Use. Net Awards and Payments received on account of a taking for temporary use shall be paid to Lessee; provided, however, that if any portion of any such award or payment is paid by the Condemnor by reason of any damage to or destruction of the Improvements, such portion shall be held and applied as provided in the first sentence of Section 6.7.1, above.

6.7.3 Total Taking and Partial Taking with Termination. Net Awards and Payments received on account of a total taking or a Partial Taking which results in the termination of this Lease shall be allocated in the following order:

First: There shall be paid to County an amount equal to the greater of (a) the sum of (1) the present value of all Annual Minimum Rent, Percentage Rent and other sums which would become due through the expiration of the Term if it were not for the taking less, in the event of a Partial Taking, an amount equal to the present value of the fair rental value of the portion of the Premises (with the Improvements thereon) not subject to the Partial Taking, from the date of the Partial Taking through the expiration of the Term and (2) the present value of the portion of the Premises (with the Improvements thereon) subject to the taking from and after the expiration of the Term or (b) in the event of a Partial Taking, the present value of the fair market rental value of the portion of the Premises (with the Improvements thereon) subject to the Partial Taking, from and after the expiration of the Term.

Second: There shall be paid to any Encumbrance Holder an amount equal to the sum of any unpaid principal amount of any Encumbrance secured by the Premises

plus costs, expenses, and other sums due pursuant the loan documents, if any, and any interest accrued thereon, all as of the date on which such payment is made; and then

Third: There shall be paid to Lessee an amount equal to the value of Lessee's interest in the remainder of the Term of this Lease, including the value of the ownership interest in and use of the Improvements constructed on the Premises, determined as of the date of such taking, less payments made under paragraph Second above. For such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4.

Fourth: The balance shall be paid to County.

If County is the condemning authority in connection with a total taking or a partial taking that results in the termination of the Lease, and the taking pertains to only Lessee's interest, then Lessee shall be entitled to the entire amount of any Net Awards and Payments.

6.7.4 Disputes. Any dispute under Article 6 concerning the fair market value of the Premises or any portion thereof, computation of present value or the determination of the amount of Annual Minimum Rent or Percentage Rent or other sums which would have become due over the Term of this Lease which are not resolved by the parties, shall be submitted to arbitration pursuant to Article 16 of this Lease. Such valuations, computations and determinations of value shall be made utilizing the Income Approach.

7. SECURITY DEPOSIT.

7.1 Amount and Use. On or prior to the Effective Date, Lessee shall deliver to County a security deposit (the "Security Deposit") in the amount of one-fourth (1/4) of the Annual Minimum Rent. Effective as of the fifth (5th) anniversary of the Effective Date and each and every subsequent fifth (5th) anniversary thereafter during the remainder of the Term, the Security Deposit maintained by Lessee with County shall be adjusted to a sum equal to one-fourth (1/4) of the total Annual Rent which was payable by Lessee for the immediately preceding calendar year; provided, however, in no event shall the Security Deposit ever be reduced below the amount of the Security Deposit required to be in effect prior to such adjustment. The Security Deposit shall secure Lessee's obligations pursuant to this Lease, and may be drawn on by County, in whole or in part, to cover (a) delinquent rent not paid by Lessee within any applicable notice and cure period, and (b) any other Events of Default of Lessee under this Lease. The Security Deposit shall be applied at the discretion of County. Lessee shall have the right to maintain the Security Deposit in form of cash or in lieu or replacement of the cash Security Deposit requirement described above, in the form of a certificate of deposit, letter of credit or other approved investment instrument acceptable to County with respect to form, content and issuer. As long as no Event of Default by Lessee exists under the Lease, Lessee shall be entitled to any interest or other earnings which are actually earned on any unapplied portions of the Security Deposit delivered to County in the form of a certificate of deposit or other approved investment instrument (as opposed to cash, on which Lessee shall not be entitled to interest). Provided that no Event of Default then exists under the Lease, at the end of each

Lease Year Lessee shall be entitled to a credit for all unexpended interest accruing to Lessee's benefit with respect to the Security Deposit during such Lease Year pursuant to the immediately preceding sentence. Notwithstanding any contrary provision hereof, County shall have the right at any time to apply any accrued but uncredited interest (which accrued during non-Event of Default periods) against delinquent rents and other amounts owed by Lessee under the Lease.

7.2 Replacement. In the event that some or all of the Security Deposit is drawn against by County and applied against any delinquent rent not paid by Lessee within any applicable notice or cure period, or against other Events of Default of Lessee hereunder, Lessee shall, within ten (10) days after receipt of written notice of the amount so applied and the reasons for such application, deposit sufficient additional funds with County, or cause the issuer of the Letter of Credit to reinstate the letter of credit to its full face amount, so that at all times that this Lease is in effect (other than between the date of the application of funds by County and the expiration of said ten (10) day period), the full amount of the Security Deposit shall be available to County. Failure to maintain and replenish the Security Deposit, if not cured within the time period set forth in subsection 13.1.3, shall constitute an Event of Default hereunder.

7.3 Renewal. Any letter of credit procured by Lessee and delivered to County shall provide for notice to County by the issuer thereof no less than sixty (60) days prior to the expiration of the term of such letter of credit in the event that the issuer thereof is not irrevocably committed to renew the term of such letter of credit. In the event that, thirty (30) days prior to the expiration of such letter of credit, Lessee has not provided County with satisfactory evidence of its renewal or replacement, or has not provided County with adequate replacement security, County may draw down upon the letter of credit and hold the funds as security for Lessee's obligations as set forth in this Lease and may apply the funds to cover delinquent rent not paid by Lessee within any applicable notice and cure period and/or any other Event of Default of Lessee under this Lease.

8. INDEMNITY.

Except to the extent caused by the gross negligence or willful misconduct of any such indemnitee, Lessee shall at all times relieve, defend, indemnify, protect, and save harmless County and its respective Boards, officers, agents, consultants, counsel, employees and volunteers from any and all claims, costs, losses, expenses or liability, including expenses and reasonable attorneys' fees incurred in defending against the same by an attorney selected by Lessee and reasonably satisfactory to County, for the death of or injury to persons or damage to property, including property owned or controlled by or in the possession of County or any of its Board, officers, agents, employees or volunteers, to the extent that such arises from or is caused by (a) the operation, maintenance, use, or occupation of the Premises (other than the Promenade and the Seawall) by Lessee or its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, (b) the acts, omissions, or negligence of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, (c) the failure of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees to observe and abide by any of the terms or conditions of this Lease or any applicable law, ordinance, rule, or regulation [IF ALTERNATIVE 1 IN SECTION 5.2: , or (d) the construction work performed by or on behalf of Lessee with respect to the Wetland Park]. The obligation of Lessee to so relieve, indemnify, protect, and save harmless County and each of its respective Boards, officers, agents,

consultants, counsel, employees and volunteers, shall continue during any periods of occupancy or of holding over by Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, beyond the expiration of the Term or other termination of this Lease. Notwithstanding anything in this Lease to the contrary, Lessee and County acknowledge that their respective liability, if any, arising out of the operation, maintenance, use and/or occupation of the Promenade shall be governed by Applicable Law.

9. INSURANCE.

9.1 Lessee's Insurance. Without limiting Lessee's indemnification of County, during the Term of this Lease Lessee shall provide and maintain the following insurance issued by companies authorized to transact business in the State of California by the Insurance Commissioner and having a "general policyholders rating" of at least A-VII (or such higher rating as may be required by an Encumbrance Holder) as set forth in the most current issue of "A.M. Best's Key Rating Guide" or an equivalent rating from another industry-accepted rating agency.

9.1.1 General Liability insurance (written on ISO policy form CG 00 01 or its equivalent) and endorsed to name County as an additional insured, with limits of not less than the following:

General Aggregate:	\$20,000,000
Products/Completed Operations Aggregate:	\$20,000,000
Personal and Advertising Injury:	\$10,000,000
Each Occurrence:	\$10,000,000

Lessee may satisfy the above coverage limits with a combination of primary coverage ("Primary Coverage") and excess liability coverage ("Umbrella Coverage") (as long as (a) Lessee's Primary Coverage is at least One Million Dollars (\$1,000,000) per occurrence, One Million Dollars (\$1,000,000) annual aggregate, and (b) the combination of such Primary Coverage and Umbrella Coverage provides County with the same protection as if Lessee had carried primary coverage for the entire limits and coverages required under this Section 9.1.1.

9.1.2 Automobile Liability insurance (written on ISO form CA 00 01 or its equivalent) with a limit of liability of not less than One Million Dollars (\$1,000,000) of Primary Coverage and One Million Dollars (\$1,000,000) of Umbrella Coverage, for each accident and providing coverage for all "owned", "hired" and "non-owned" vehicles, or coverage for "any auto." During any period of operation of valet parking facilities, Lessee also shall provide Garagekeeper's Legal Liability coverage, (written on ISO form CA 99 37 or its equivalent) with limits of not less than Three Million Dollars (\$3,000,000) for this location.

9.1.3 Workers Compensation and Employers' Liability insurance providing workers compensation benefits, as required by the Labor Code of the State of California

and for which Lessee is responsible, and including Employers' Liability coverage with limits of not less than the following:

Each Accident:	\$1,000,000
Disease - policy limit:	\$1,000,000
Disease - each employee:	\$1,000,000

9.1.4 Commercial Property insurance covering damage to the Premises, including improvements and betterments, from perils covered by the Causes-of-Loss Special Form (ISO form CP 10 30), excluding earthquake, and including Ordinance or Law Coverage, written for the full replacement value of the Improvements, with a deductible no greater than \$250,000 or 5% of the property value, which ever is less, and also including business interruption, including loss of rent equal to eighteen (18) months of rent, with proceeds payable to Lessee and County as their interests may appear and utilized for repair and restoration of the Premises and Improvements. Notwithstanding the foregoing, during any period during which no Improvements exist on the Premises or all of the existing Improvements are being demolished in connection with the construction of Development Work, the obligation to provide insurance under this subsection 9.1.4 shall not be applicable so long as the insurance coverage described in subsection 9.1.5 below is carried.

9.1.5 For construction projects, including the Development Work, or any Alterations or restoration on the Premises, Lessee or Lessee's contractor or subcontractors will provide the following insurance (County reserves the right to determine the coverage and coverage limit required on a project by project basis.):

9.2 Provisions Pertaining to Property Insurance. The insurance coverage required in Sections 9.1.4 and 9.1.5.1 shall name the County as an additional insured and any Encumbrance Holder as loss payee. Subject to Section 12.8, upon the occurrence of any loss, the proceeds of property and builder's risk insurance shall be held by County in trust for the named insureds as their interests appear, and shall be disbursed by County on a monthly basis to pay for work completed in accordance with then-prevailing industry custom and practice; provided, however, that if the insurance proceeds received with respect to a loss are less than \$500,000 (as adjusted to reflect any increase in the ENR Index during the period from the Effective Date through the date of the loss), the Encumbrance Holder shall have the right to hold and disburse such proceeds to pay the renovation and repair of Improvements in accordance with the terms of the loan agreement or deed of trust with Lessee's Encumbrance Holder. The policy or policies of insurance shall provide that such insurance coverage will not be canceled or reduced without at least thirty (30) days prior written notice to Director or ten (10) business days in case of cancellation for failure to pay the premium. At least ten (10) business days prior to the expiration of such policy, a certificate showing that such insurance coverage has been renewed shall be obtained by Lessee and filed with Director.

In lieu of submitting a copy of the policy or policies evidencing the above insurance, Lessee may submit in a form reasonably acceptable to County a certificate of insurance.

Any insurance coverage may be issued in the form of a blanket policy insuring other properties, in form, amount and content reasonably satisfactory to County such that such coverage provides the same protection as required under this Article 9 as if the insurance had been procured on an individual property basis.

(g) that such policies shall not be suspended, voided, canceled, reduced in coverage or in limits or materially changed without at least thirty (30) days prior written notice to County and all Encumbrance Holders or ten (10) business days in case of cancellation for failure to pay the premium;

(h) that the commercial general liability insurance shall apply separately to each insured against whom a claim is made, except with respect to the overall limits of said insurer's liability; and,

(i) that the property and commercial general liability insurance policies shall contain no special limitations on the scope of protection afforded to the additional insureds, and no failure to comply with the reporting provisions of such policies shall affect the coverage afforded to such additional insureds.

9.5 Failure to Procure Insurance. If Lessee fails to procure or renew the herein required insurance and does not cure such failure within five (5) business days after written notice from County, in addition to the other rights and remedies provided hereunder, County may, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith. All monies so paid by County shall be repaid by Lessee, with interest thereon at the Applicable Rate, to County within five (5) business days after Lessee's receipt of written demand therefor.

The amounts of liability insurance required under Section 9.1.1, 9.1.2 and 9.1.3 shall be subject to renegotiation as of each fifth (5th) anniversary of the Effective Date (each, an "Insurance Renegotiation Date"). If County and Lessee cannot agree upon the amount of insurance by the sixtieth (60th) day preceding an

Insurance Renegotiation Date, the matter shall be resolved by binding arbitration in accordance with Article 16. In no event shall the amounts of liability insurance be decreased as a result of such renegotiation or arbitration. Following such renegotiation or arbitration, the parties shall execute an amendment to this Lease setting forth the renegotiated insurance provisions or the arbitration judgment, as appropriate.

9.7 Notification of Incidents, Claims or Suits. Lessee shall notify County of any accident or incident on or about the Premises which involves injury or property damage over Fifty Thousand Dollars (\$50,000.00) in the aggregate and pursuant to which a claim against Lessee and/or County is made or threatened. Such notification shall be made in writing within 72 hours after Lessee first becomes aware of the claim or threatened claim.

10.1 Lessee's Maintenance and Repair Obligations. Lessee shall maintain the Premises, including paved or unpaved ground surfaces and Improvements thereon (including the Promenade, but excluding the Excluded Conditions and excluding the Seawall), in conformance with the Minimum Standards regarding the use and occupancy of residential apartment buildings in Marina del Rey (such as the Premises) as revised from time to time by County in a manner consistent with commercially reasonable maintenance standards applicable to other comparable residential apartment buildings in Marina del Rey (the "Maintenance Standard"). Any dispute as to whether revisions to the Maintenance Standard adopted by the County from time to time pursuant to the immediately preceding sentence are commercially reasonable shall be submitted to arbitration pursuant to Article 16 of this Lease. Without limiting the foregoing, at Lessee's sole cost and expense, but subject to the terms and conditions of this Lease, Lessee shall keep and maintain the Premises (including the Promenade) and all equipment, Improvements or physical structures of any kind which may exist or be erected, installed or made on the Premises in good and substantial repair and condition, including without limitation capital improvements and structural and roof repairs and replacement, and shall make all necessary repairs and alterations and replacements thereto, except as otherwise provided in this Article 10. Lessee shall undertake such repairs, alterations or replacements in compliance with Applicable Laws, the Maintenance Standard and the terms and provisions of this Article 10. Lessee shall maintain all Improvements on the Premises (other than the Excluded Conditions and the Seawall) in a safe, clean, wholesome and sanitary condition, in the commercially reasonable judgment of Director, and in compliance with all Applicable Laws. Lessee shall, at its own cost and expense, install, maintain and replace landscaping between the streets abutting the Premises and the building footprints on the Premises as is necessary in the commercially reasonable judgment of the Director to maintain the appearance of the Premises in a manner consistent with the Maintenance Standard. Lessee specifically agrees to provide proper containers for trash and garbage which are screened from public view, to keep the Premises free and clear of rubbish and litter. County in its proprietary capacity shall have the right to enter upon and inspect the Premises at any reasonable time for cleanliness, safety and compliance with this Section 10.1, as long as such entrance is not done in a manner which would unreasonably interfere with the operation of the Premises. The exclusion of the Excluded Conditions and the Seawall from Lessee's maintenance obligations under this Section 10.1 shall not relieve Lessee from the obligation to repair and restore any damage to the Excluded Conditions and/or the Seawall caused by Lessee, its agents, employees, subtenants or contractors, or by Improvements
